Chronological Reading Plan - 2017

Have you ever wanted to read the Biblical narrative in its historical chronological order? Then this study is for you.

This plan allows you to read through the Bible in a year but in its historical order. This plan was modified from one created by John A. Battle, Th. D. of Western Reformed Seminary.

The books are broken down based on their content and interspersed with poetry and accounts from other passages to provide you with a complete historical view (with the exception of the four gospels – those are ordered according to the time of their writing).

This plan will provide a useful approach in understanding the timings of all the events and people of the Bible.

Benefits and Commitments:

	Old Testament	New Testament
Read through	Once	Once
Understanding	Overview	Overview
Time per Day	½ - 1 hour
