

Two Worker Exception (version 12)

As part of the ministry to Peace Youth, sometimes it is necessary for a student and an adult to be in a one-on-one situation in a non-public location (e.g. counseling situation, student visits the youth office when only one staff member is present, driving students to and from events). In addition there may be situations where there is only one adult and two or more youth involved in a non-public location (e.g. a worker takes 3 youth to Jordan Lake for a hike or there is a discipleship small group meeting with one adult leader). For the protection of our students and adult leaders/staff, and to be in accordance with Peace's Child Protection Policy, parental permission must be given if you deem it acceptable for your youth to be in one of these situations. By signing this permission form, you authorize your student to be in similar situations as those stated above. **This form is only valid for a maximum of 1 year and expires on August 31st following the date the parent signs it. It may be revoked at any time by notifying "team@peacepca.org".** Limited approvals may be given as noted below.

☐

One worker with one youth in a non-public location (on or off the Peace campus)

☐

One worker with two or more youth in a non-public location (on or off the Peace campus)

(check one box - if first box is checked, that provides permission for both situations)

There are many times that discipleship of youth occurs one-on-one in public locations that are not for Peace sponsored events. By signing this form, you authorize your student to be in situations similar to this with only 1 worker. As with the non-public approvals, this can be revoked at anytime and limited permission may be given. Since this would occur in a public location, opposite sex situations can occur, unless limited.

☐

One worker with one youth in a public location (off the Peace campus)
