A scenic view of a river flowing through a forest. The river is shallow and clear, revealing numerous smooth, light-colored rocks on the bottom. The water is a light brownish-yellow color, possibly due to fallen leaves or sediment. The banks are lined with trees, some of which have vibrant autumn foliage in shades of yellow, orange, and red. The background shows a dense forest of evergreen trees under a blue sky with scattered white clouds. The overall atmosphere is peaceful and natural.

A close-up, high-angle shot of the American flag, showing the stars and stripes in detail. The flag is draped and folded, creating deep shadows and bright highlights in the fabric. The stars are white on a dark blue field, and the stripes are red and white.
