*The Canvass Committee was a result of a Deacon Board resolution recommended to and approved by the church in conference on Sunday night, June 19, 1923 which read:*

*Be it resolved that we try to get each and every member who is able to attend the services of the church as much as possible, and to contribute of their means to the support of the church.*

*And be it further resolved that any member who is able and will not contribute of his means to the support of the church is subject to discipline, and after receiving due notice of his pledge not being paid as promised, the church shall bring charges against such members and if said member or members will not pay then the church will withdraw the hand of fellowship from same.*

*And be it further resolved that we see all members who join the Church and get them to sign a pledge for the support of the same, and anyone who will not sign a pledge to support the church, that if the applicant is able to do so, the church refuse to receive such a one as a member.*

*And be it further resolved that these resolutions be carried out regardless of flesh and blood.*

*The above resolutions were adapted by the church.
