**From the pages of the "Little Flock"**

Rev. Albert Walker Briscoe, Piedmont Baptist's fourteenth pastor, wrote in the September 28, 1899 ALABAMA BAPTIST when he pleaded the case for better pay for the Baptist Preachers:

*"He does not wonder that Baptist preachers are poor financiers. It is the result of a want of practice. He was not an expert in climbing the Alps, for he had never been there. If we could have money we would make good financiers. The members should liberate the preachers by meeting the necessary finances. Our laity are undeveloped. Our great effort should be made here. The Churches of North Alabama have made the ministry objects of charity. The pastor's salary is a debt, and the preacher should claim it as such. It degrades his calling without it."*

Members of FBC, I want to thank you for your support during our recent Smoke Detector Campaign. We had 67 people, firemen and volunteers who visited 111 houses and installed over 365 smoke detectors. They are working toward being able to furnish all fire departments with a new detector, in the next 2 yrs. hopefully, which contains a sealed 10 yr. life battery. Then, we will conduct another campaign. Thank you for your support to the Piedmont Fire Department. Chief Mike Ledbetter
