To My Loving Church Family:
You will never know how much it means to me knowing that my church family is praying for me and is always there when I need them. Thank you for your prayers, cards and uplifting thoughts while I am homebound during this pandemic. I love my church family and hope to be able to be in Sunday School again. Until that time I pray God's richest blessings and well being on you all.

**Love and Prayers,
Faye Rutherford**

Notices

As many of you may know, Iris Poppell was in a serious accident on Tuesday. I spoke to her niece, Laura, on Wednesday and inquired about her condition and injuries. I told her that as a Church we were here and would help in any way we could. We definitely would be praying for healing and asked that she keep us updated on her progress. She was in surgery at that time. Later that night I received a call from, miraculously, Iris herself. She said she had come through her first Surgery okay. There are other injuries but those will be addressed later. She wanted me to let her loving church family know how much it meant to her knowing her church family was praying for her and sending comfort to let her know we are here for her. Iris said she knows it was a miracle from God that she is even here. She was in a lot of pain and they are treating that. She asks that you continue to lift up her and the other person who was in the accident also. We don't know the name. Her Church family means everything to her.

Thank you!!!

Thank You & Prayer Requests
