### ATTENTION !!!

Our church family is making a concerted effort to reach out to people and ask them to join us for online worship services. During these difficult times many people are living their lives without a church family or a relationship with God. Please reach out to anyone (regardless of location) on Facebook and social media and ask them to join us. An excellent start is to "Like" and "Share" our live video on Facebook with anyone you know.

### ***WANTED!!!***

*Looking for volunteers to serve in our tech ministry. Positions for audio, camera, multimedia. Experience helpful but not necessary. Training provided. Contact Joe Wingard at the Church Office for more information.*
