Sermon Notes

A Flawed Family: The Broken Lineage of Jesus

Week 2

Tamara

Exodus 38: 1-30

Principle: *We should keep our eyes on God's will for our lives when some Christians, even spiritual leaders, engage in sinful and scandalous actions.*

Two key points from this chapter:

1. God is showing us that His redemptive plan is right on schedule.
2. Tamar and Judah are a contrast to Joseph.

Discussion: Though God can take sinful actions and still accomplish His purposes in the world, why should we be careful never to use this biblical principle as an excuse to violate God's moral laws?
