

Daniel Nichols Deacon Nominee Information

My name is Daniel Nichols, and I have been here at Pleasant City Church for almost 8 years.

I am married to my best friend Danyel Nichols and am very blessed to serve alongside her here at PCC. Together, we lead the Blended Journey Connect Group. We both also serve in the Worship Team in the media suite every Sunday.

As a blended family, we have 5 children, a couple sons-in-law, and most importantly, 2 adorable granddaughters and 1 ruggedly handsome grandson on the way!

I was saved at an early age and raised in a pastor's household. Throughout my teenage years, I stayed involved with the church, and participated in many of the ministries that church, along with other amazing opportunities with Baptist Men's Missions and Element Church later in my life. In each ministry, I have been able to witness God's work being done through human hands, the Church being the Hands and Feet of Christ. I have seen firsthand the importance of the local church being active in local missions and feel that our church has the right focus on these here at Pleasant City Church.

Throughout all of the ups and downs, God has shown His love and faithfulness to me and my family. I can't say enough how thankful I am to be a part of Pleasant City Church!
