Deacon Nominee Information

You may not know me because I tend to work behind the scenes for the kingdom of our Lord. This will be a cliff note version of my calling and walk with the Lord. I am Dr. Paul, a retired dentist.

My wife of 46 years, Joni and I have lived in the Shelby-Kings Mountain area since 2003. Prior to that, we lived and had a vibrant practice for 20 years in Albemarle NC. That is until God called us into deeper water. We have three children with three incredible spouses and 8 grandchildren.

In 2004, a friend and I established Compass Aviation to operate the Shelby Cleveland County Regional Airport and Compass Aviation Ministries to train men and women who were called into missionary aviation. Today, we have aviators and their families serving with mission organizations around the world.

The Lord led us to PCC three years ago. Within two months, we started a Connect group with Dan and Brenda Howard. We also coordinate the Prayer Partners for the pastors on Sunday mornings.

My Christian walk has seen ups and downs but through it all, God is teaching me about the gifts of the Spirit, to love, to follow Him even when it doesn't make sense and to completely trust Him in every area of my life.

Blessings
Paul
