Deacon Nominee Information

Pam and I joined Pleasant City Church in March of 2022. We have been married for 28 years. We attend Life Truths and Looking into the Heart of God Connect groups. I attend the Men of the Word connect group. I am involved in men's ministry and Care ministry for Senior Adults.

I was raised in a Christian home and one of my strongest childhood memories is going to church. My mom was a very loving and supportive woman who would comprise on some things, but not going to church wasn't one of them. I gave my life to Christ at a young age, but lived for the world most of my young adult life. Today I live by faith, gladly relinquishing total control to the Lord Jesus Christ. Life is like one of those big, old roller coaster rides, you get in and take off. You go through the highs and lows and dips and through dark tunnels and come out on the other side, only to see God sitting at the controls, holding you in the palm of His hand, where nothing can pluck you out.
