

2084 AI and the Future of the Human Race

Session 10 – The True Homo Deus

The Incarnation of Jesus Christ is the true Human union with God

Jesus was completely human through the Virgin Mary and completely God through the Holy Spirit

John 1:14 – And the word became flesh and dwelt among us

Christianity claims that God has already become a man

Harari believes death is merely a technical problem that will be solved by science/ AGI etc.

Christianity states clearly that death is a direct result of the Fall (Romans 5:12)

Christianity also declares that Death was Vanquished with Jesus' resurrection from the dead.

Jesus' resurrect was through a direct action of God's divine power

The universe is not a closed system of cause and effect but one where the creator intervenes on our behalf.

Not only is death conquered but we can share in His resurrected life – Christ in us through the Holy Spirit

God is not against us.

Messianic prophecies in OT speak the truth of the coming messiah – Isaiah, Zechariah, Daniel, Micah etc.

What we need is freedom from our sinful nature – no AGI upgrade or super intelligence will be able to reconcile us to God – through sin we have been alienated from God and salvation, with originates with God, deals with that alienation.

This requires repentance and an act of the human will thus be enabling us to turn from sin and trust in Jesus

No human utopia can be achieved without dealing with the sinful human nature

AGI limited to this world only

The Ascension of Jesus - it was bodily, and it was visible – Jesus going into another world

The Return of Jesus will also be bodily and visible – from another world

Session 11 – Future Shock – The Return of the Man Who is God

Peters second sermon in Acts 3 answers the question of where Jesus is now – in heaven and it also tells us about the next great intervention into this world – He will return to restore all things.

The return of Jesus was one of His major claims

- Matthew 24 – discourse with His disciples
- Mark 14 before the High Priest
- Daniel 7 – OT reference

Death was not overcome by some advance in medicine, science, or AI

Death was overcome by direct power of God, and He promises that all who believe in Him will also be raised from the dead (I Cor 15)

We will also receive a new body – just as Jesus did; a body not limited to this world, but a body prepared for eternity.

Jesus further reveal He was no “spirit” but had flesh and bones – touch me, Thomas!

Although we live in bodies that are subject to evil and death – the work we do in the bodies has eternal merit as we serve Christ on earth

The return of Jesus is unknown, but we are to watch, be alert, wait patiently and live accordingly

There will come a time of spiritual lawlessness and there will be a man of lawlessness that assumes total control over the human system – the Anti-Christ which leads into the great tribulation

A major blind spot for the atheist and those pursuing AI is the belief that mankind is basically “good” and that we are improving all the time.
