# INTRODUCTION

*All scripture is inspired by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work.*<sup>1</sup>

From ancient times Christians have devised various schedules for regularly reading through the Bible. At the time of the Reformation in England, Archbishop Thomas Cranmer argued that one of the chief reasons for reforming the worship in the parishes of England was to return to the ancient practice where “the whole Bible (or the greatest part thereof) should be read over once in the year.”<sup>2</sup>

The Bible is the fundamental document of our faith and, in the English Church tradition (as in many others), it is affirmed that “Holy Scripture containeth all things necessary to salvation.”<sup>3</sup> As such, it is imperative that all Christians, clergy and lay alike, regularly read and study the scriptures.

This lectionary is offered as one way for Christians to read the whole Bible. It is organized so that it may easily be used in a liturgical tradition of Morning and Evening Prayer, though it does not have to be. It is also designed with a certain amount of flexibility so that it is possible to take two years to work through the Old Testament rather than one if that is desired. Either way, the key principle is to read the Bible *in its entirety* so that we “should continually profit more and more in the knowledge of God, and be the more inflamed with the love of his true religion.”<sup>4</sup>

The guiding principles in the organization of this lectionary are as follows:

- Read the whole Bible
- Read the books in a somewhat chronological order
- Provide flexibility for a one- or two-year cycle

### Old Testament

In monastic tradition, the Book of Psalms (the Hymnal of Jesus' day) was recited weekly in its entirety. The English reformers modified that to once per month for a total of twelve times each year. This lectionary continues the practice of regularly praying through the psalms, but at a rate of five times per year (with one or two being appointed for both Morning and Evening Prayer).

After the Psalms, the 1<sup>st</sup> lesson of both Morning and Evening Prayer is also from the Old Testament. The O.T. readings of Morning Prayer are largely the Historical books. While the O.T. readings of Evening Prayer consist of the majority of Wisdom and Prophetic writings (although you will also find Deuteronomy and 1 & 2 Chronicles—this is in order to provide a portion of the Law and the story of the Davidic kingdom in both Morning and Evening Prayer for those who wish to divide the readings into a two-year cycle).

### New Testament

The entire New Testament is read in both Morning and Evening Prayer. The readings are staggered so that, for the most part, when a Gospel is being read in one office, an Epistle is read in the other.

### A One- or Two-year lectionary

To read the Bible in two years, simply use the 1<sup>st</sup> set of lessons (for Morning Prayer) in year one and the 2<sup>nd</sup> set of lessons (for Evening Prayer) in year two. It is not necessary to alter the Psalm schedule, for the whole Psalter is read through more than twice in *both* Morning and Evening Prayer.

May the Lord richly bless you as you seek to grow in your knowledge and love of Him through reading and meditating on his Word.

*Blessed Lord, who hast caused all holy Scriptures to be written for our learning; Grant that we may in such wise hear them, read, mark, learn, and inwardly digest them, that by patience, and comfort of thy holy Word, we may embrace and ever hold fast the blessed hope of everlasting life, which thou hast given us in our Saviour Jesus Christ. Amen.*<sup>5</sup>
