RAINTREE

COMMUNITY CHURCH

Welcome to the Parent's Day Out Program at Raintree Community Church! We are delighted that you have chosen to entrust us with the privilege of coming alongside you and your children in this season of life.

We believe that every child needs to know who created Him and why they exist. At Raintree, we teach that every child is a treasure from God and that they are all fearfully and wonderfully made by God for His glory. This truth echoes throughout the Bible! One of the most vivid displays of God's heart for children is seen in the words of Jesus in the Gospel of Matthew:

"But Jesus said, 'Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven'." – Matthew 19:14

We want to exhibit the heart of Jesus as we receive your children on a weekly basis into in program.

Thank you for allowing us the privilege of investing in your children and your family. If you do not belong to a church family, we invite you to gather with us to worship the Lord together! At Raintree, we are committed to being Gospel-driven, Word-Centered, equipping the saints, and training the next generation. We would love to get to know you better and answer any questions you might have about our church and how we carry out Christ's mission. If you would like to set up an appointment with me, please feel free to call our church office 816-537-8111.

Your fellow servant,

Dr. Stephen Conley

Lead Pastor | Raintree Community Church

NO PEANUT BUTTER or peanut butter items are allowed at any time!

Supplies

- Lunch & Drink
- Extra set of clothes (Just in case)
- Diapers & Wipes (If not potty trained)

**Please mark each item with your child's name.*

Bathroom

Children 4 years and older must be completely potty trained when beginning the program. They must be able to take care of their needs. 3 year olds must be actively working on potty training. Teachers can help with snaps or zippers.

Health

Every effort is made to protect your child from illnesses and disease. One ill child could cause many to become ill.

If a child displays any of the following symptoms, he/she must be kept at home, or will be sent home at the first signs:

- Fever – 24 hours prior to drop off
- Diarrhea (even once); unless accompanied by a doctor's note that states the issue is NOT a virus or infection (i.e., Antibiotics/teething)
- Nasal secretions that are thick, yellow, or green, and/or accompanied by fever. Cloudy or colored nasal secretions may indicate allergy; however, check with a doctor to rule out infection
- Sore throat with fever or throat spots
- Cough accompanied by fever, chills, and the coughing up of green or yellow mucous, vomiting or nausea.
- Eye drainage of any type should be checked by a doctor to rule out infection
- Child not feeling well, such as lethargic behavior and/or crying
- Lice
- Pink eye- includes "matted eyes" until a doctor can verify
- Skin rash or infection (boils, ring worm, impetigo, thrush, etc.)
- Difficult or rapid breathing
- Oozing or draining wound

If a child has become ill and sent, or kept at home, he/she may return after

illness when:

- Child is fever-free for 24 hours WITHOUT THE AID OF MEDICINE
- Nausea, vomiting or diarrhea has subsided for 24 hours
- The prescribed number of doses of an antibiotic have been given over a 24-hour period for any type of strep or bacterial infection
- Child is feeling well again and normal behavior has returned

*Inform the school if your child becomes ill with any contagious illnesses, such as chicken pox, fifth disease (slapped-cheek), lice, etc.

Emergency inhalers or EpiPens can be given to the Robin to be kept for emergency use. They must be in the original labeled container with prescription directions, and a parent must provide authorization for administration *in writing* with a signature and date.

Medication will not be given without written permission from the parent.

**A continual problem of not being able to reach a parent when a child is sick or hurt could result in the child being withdrawn from the program.*

Discipline

It is the intent of the program to remain positive and filled with loving correction. In order to assist in the children becoming good friends and practicing good manners, the positive discipline strategy is implemented:

1. Positive redirection and/or choices given for behavior- removal of the child from the unacceptable activity and redirect to a new interaction or the appropriate use of materials and/or offer another acceptable choice.
2. Time out- removal from the group or activity to sit alone in a chair, at a table or on the floor. Age-appropriate time-outs are 1 minute per year of age (ex.: a 3 yr old would have 3 min).
3. Phone call to the parent.
4. Parent Conference-teachers will partner with parents to decide behavioral strategies.

**Depending on the severity of the action, the parents may be notified immediately.*

Termination of Services

Termination could result for any of the following situations:

- Children whose continued aggression or uncooperative spirit endangers others or whose recurring disruption prevents or impedes effective teaching and learning may be dismissed at the director's discretion. Parents must disclose at the time of enrollment special needs, conditions, handicaps or health concerns which may affect the ministry.
- If a parent continuously picks up their child late.
- If tuition or fees are more than two weeks past due.
- If a parent fails to abide by the policies of the RAINTREE PDO Parent Handbook.

Safety

Fire, Tornado and Lock-down drills will be practiced regularly throughout the school year. The staff will assist in helping children understand the need to practice these drills for safety.

If a child has a minor accident while at school, a report will be completed and signed by the teacher. A copy of the report will be given to the parent and the original will be placed in the child's file. If necessary, first aid will be administered, and the parent will be notified as quickly as possible. If your child needs emergency medical attention, 911 will be called first and the parent notified immediately after.

Curriculum

The program is a structured day and students will be taught numbers, letters, colors, how to work with others, Bible stories and verses, and many other self-help skills.

Parent Communication

- Parents should employ all of the following in order to remain current and up-to-date:
 - **FACEBOOK:** RAINTREE PDO closed group will be established for each family once enrolled. Feel free to post general information and questions; however, this site will be monitored for appropriate content and also will not allow for solicitations. When a student no longer attends the ministry, the family will be removed.
 - **EMAIL:** information will be provided to the email address provided on the enrollment form.
 - **REMIND 101:** Enrollment pages are available at the check-in table or text @raintreep to 81010. These are text messages sent directly to those who sign up. Individuals cannot respond to these messages and persons will be removed upon exit of the ministry or upon request.

Thank you for allowing us to love your children and minister to the family. If you do not yet have a regular place to worship, we welcome you to come worship with us! We know that this year will be a great opportunity to see God move through the eyes of each child!

Please feel free to contact our PDO director with any questions or concerns.

Helpful Hints

1. Children should come to school clean and with diapers changed. If potty training, help them go to the bathroom. This gets the child ready for a great day at school!
2. Do not allow your child to bring toys from home unless requested by his/her teacher. Special “transition” toys may be placed in the backpack and left there for the day.
3. Children should wear washable play clothes each day and closed-toe, soft-soled shoes. Our playground has rubber mulch that is uncomfortable when it works its way into open-toed shoes. Sandals and flip-flops are not the best shoe to a fun-filled school day.
4. Anything brought from home should be labeled with your child’s name-including coats, jackets, backpacks, lunchboxes, bottles, sippy cups, etc.
5. Most children experience some separation anxiety at every young age. Our teachers are trained and prepared to partner with parents through the transition. It is most helpful for parents to walk a child to the doors, give a quick hug and kiss, a wave “bye” and quickly exit. The child can be comforted quicker upon the parents’ exit. For new children, please feel free to contact Robin Erisman and she will check on your child and update you on their transition.
6. Young children thrive on routines. Teach children responsibility by encouraging him/her to do things for himself/herself by allowing plenty of time with structured guidelines. Teach your child to put away toys, to eat regularly and properly, and to establish regular toilet and sleeping habits. These are life skills that can be easily supported at school.
