Staff hiring update

As your Session seeks to fill open ministry positions over the coming months, we are committed to providing monthly updates to keep our congregation informed on our progress. At a minimum, we plan to do this on the first Sunday of every month during morning worship services and in our “Redeemer Life” newsletter. As is the nature of any hiring process, the information we have to share month to month might vary but regardless we will share as much as we are able on the process and how things are progressing. There are currently (3) open positions that the session is working to fill in the coming months: a youth ministry leader, an associate pastor and a worship music director.

Youth Ministry Leader

This role is intended to be a full-time position that, among other responsibilities, will focus primarily on teaching and discipling middle school, high school, and college-age students through formal studies, events and activities. We are open to filling this role with either an ordained or non-ordained person. The job posting for our youth ministry leader position went live early June and is posted on both Redeemer's website as well as numerous other posting locations around the country. As interested candidates reach out, the search committee acts as the first point of contact and provides an initial screening interview. Promising candidates will ultimately be handed off from this committee to the session for more formal interviews and/or approval. While there has been some interest already, no candidates have advanced past initial screening as of yet. If any of you know of a name we should consider for this role, please speak to any of the search committee members (Tyler VanRee, Marty & Keri Huizenga or Laurel Delange). Thank you for your continued prayers for this open position.

Worship Music Director

Session is also giving attention to our worship music leadership. Music and singing are an important aspect of our worship, and we want to continue to see this part of worship grow and flourish. We have convened a Music Ministry Planning Team to evaluate our current resources and needs and how best to address medium- and longer-term music ministry. The first meeting produced a helpful analysis, and we plan to meet multiple times in July to define the staffing roles that will inform our search process. Our interim leadership is provided by the pianists. Rebecca Braam coordinates our vocalists and David Entingh is leading AV. Be sure to thank them. We will keep you posted on the progress.

Associate Pastor

Finally, is the open Associate Pastor position. Session has begun discussions on this role will formalize the job description and authorize a search committee in the next few weeks. More details will be forthcoming as this process gets underway.

Welcome TO THE TEAM

Jori Orr

I have attended Redeemer with my husband Brad for about 6 years now, and we love our church family.

After almost 6 years of teaching High School English, I became a stay at home mom last year to take care of our little girl, Naomi.

I look forward to serving in this position and am thankful for the opportunity to pour back into the church community that has richly blessed our family.

Mission Focus -

Purposeful Pathways

Are there seemingly insurmountable challenges in Haiti? Yes. In spite of that God opens doors to continue in His Word and work. If you would like more information, contact Deborah Benson at admin@purposefulpathways.org. The pictures are of a funeral for a slain church member, loading bags of food to distribute, a woman kneeling at a prayer service, an ill child who has since received medical care, and a student at the Christian School. May God continue to protect His Word and work in Haiti.

HAFF (Haitian American Friendship Foundation)

Redeemer recently hosted Colin and Carla Wilson to speak following a Sunday evening service. It was heartening to hear that their mission work on the Central Plateau has been able to survive the challenges of inflation, displacement, and hunger. While Colin and Carla are currently in the USA, they plan to return to Haiti soon. Carla and Colin highlight the resilience and determination of the Haitian people. I agree!! We thank God that the ministry of HAFF has been sustained while 80%+ of Christian ministries have collapsed in this time of crisis.

MAF (Missionary Aviation Fellowship)

It was an honor to attend the commissioning ceremony of Zach Francois in Nampa, Idaho last month at the MAF headquarters. Zach was not the only missionary being commissioned, but he was definitely my favorite. 😊 Redeemer's support of Zach has been a blessing to Zach, but more importantly it will have exponential ramifications to the work of the kingdom in Haiti and in other international destinations. MAF used Zach as a willing participant to forge a path so that MAF could train and commission more indigenous pilots, mechanics, and missionaries. Though it has been challenging to figure out the legal details, for Zach and for MAF - WOW what a great result! Zach will return to Haiti to serve, but due to the path he has forged, others from around the world will be able to do the same. Praise God for the wonders He has done!

From the Session

Dear Redeemer family,

We had our monthly stated meeting on Tuesday, June 12. We had the joy of reviewing new member interviews and look forward to welcoming these individuals into membership soon. We then discussed Life Groups. An ad-hoc committee, led by Kirk Harmon, is being instituted to ensure that visitors and new members can connect with a Life Group, as well as work to make sure we have enough Life Groups to cover the need.

We also agreed to a motion to form an Interim Music Ministry Operations committee, led by Dick Schamp, to access current resources, plan medium and long term staffing, and develop ongoing music. We're all appreciative of the extra work so many have been doing in this area already.

We agreed to review the job description for the Associate Pastor role, and hope to have that work done quickly. The search for a Youth Leader is ongoing. Please pray for both of these roles – we don't know who will fill them, but our heavenly Father does!

Finally, there was discussion on filling the remainder of the term after the recent elder resignation. One of these positions was set to end the term this year, but the other had a year remaining. Our bylaws allow for the nomination of someone else to fill this spot, with the amount of growth we've seen recently we decided it was best to take this option and nominate an ordained elder to the role.

The attendance figures are available again, many thanks to those diligently counting heads every week.

REDEEMER CHURCH – NEW MEMBERS

June 30, 2024

Jeff Davis

After my parents' divorce, from the age of seven I was raised by my mother in a single parent home with my two sisters in Plymouth, Mi. We attended a Southern Baptist Church where I was baptized when I was 8 years old. When I was 12 years old, I began objecting to church and my mother stopped making me go. When I was 18 years old, I started working for the railroad and married my first wife. I have two children from that marriage. My son Nathan (40) and daughter Bridget (36). After almost 20 years my first marriage ended in divorce. About two years after the divorce, because my life was a big mess, I accepted an invitation to attend a Bible study at Providence Presbyterian Church (OPC) in Manistee, MI. It was in that Bible study that I came to know Jesus as my Lord and Savior. I was 40 years old. In the next 14 years of my life I experienced several trials, including the marriage and divorce to my second wife, the death of my mother and older sister, living as a single man 7 years, being able to stop working for the railroad and do volunteer work for Jesus, and meeting and getting married to Gloria. Gloria and I will be married for 10 years in June 2024.

Gloria Davis

I was born the third child of four to missionaries in Nigeria. I came to the U.S. when I was five, grew up in the Christian Reformed Church. I accepted Jesus when I was in the fifth grade. In my senior year of high school, I made a profession of my faith. Through Rockford Community Church, the Holy Spirit opened my eyes and heart through sermons and through the Young Adult leaders. I learned so much and my faith really grew. I decided I wanted to be baptized again, this time by immersion. I got married and we moved to Byron Center and joined Corinth Reformed Church in Byron Center. My marriage ended 22 years later. Through my separation and divorce, I found my joy and fulfillment in Jesus Christ.

In 2013, I met Jeff. We have been married for 10 years. I'm thankful God brought him into my life. We have been members of Cedar OPC in Jenison. We moved to Belding a year and a half ago.

I am very thankful for my kids! My daughter lives in Florida and our son lives in Clarksville. Through our son, we have a 4-year-old granddaughter!

Benjamin Noorman

I was born and raised in Grand Rapids and have lived my whole life in the city. I haven't found a reason to leave yet. I married my high school sweetheart, Brianna, and we had our first child, Lucille May on May 11. We started attending Redeemer in 2020.

Brianna Noorman

I was born in the Hudsonville/Jamestown area in West Michigan and grew up on a farm. I grew up going to Hudsonville PRC and went to PR schools where I met my husband Ben at Covenant Christian HS. We have been married for 7 years and had our first child, Lucille May, this spring. We left the churches we grew up

in during Covid and found Redeemer online, it's been a recovery process and Redeemer has been a very safe and healing place for us to be.

Michael Seal

I was born in Florida and my father was an SBC pastor when I was growing up. I became Calvinistic in high school and was a Presbyterian by the time I graduated Liberty University. I met my wife Katie in our first year of college, and we have been married for 17 years and have 7 children: Jonathan, Haddon, Annabelle, Lyla, Matthew, William, and Naomi. We have been members of several NAPARC churches through the years, including two other OPCs.

Katie Seal

I was born and raised in Oregon, but have lived in Ionia, MI for the past five years. My family attended a Baptist church throughout my childhood, and I was taught to know, love, and obey the Lord from my earliest memories. Michael and I got married in 2006. We, with our children, began attending Redeemer during the summer of 2023.

Sandy Heemstra

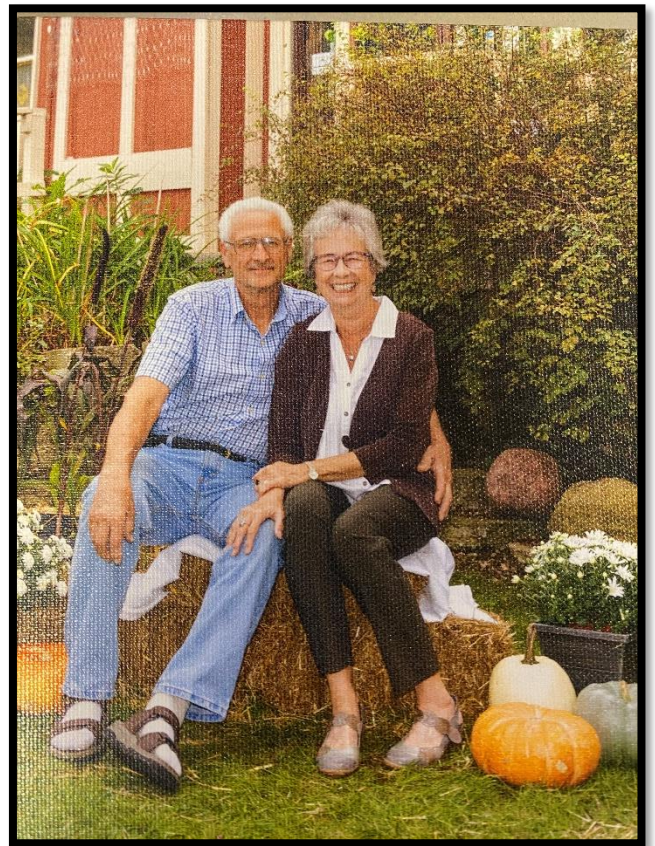

I was raised in the Grand Rapids area, married here and then moved to Florida. We called Florida home for 48 years before retiring back to Grand Rapids. I have 2 daughters and 3 grandchildren who live in Florida and now Texas. I now live in Raybrook. Jim and I enjoyed 30 + years working for OPC Home Missions.

Dave Byker

I was born in Grand Rapids, MI on 8/22/1950. I moved many times with my family as my father was a pastor. I met my wife, Roelie, in Toronto, Canada and we were married on 4/25/1970. We have three wonderful, God-fearing sons. I have done many things in my life but currently labor as a residential contractor, remodeler. For the past 8-9 months, we have been abundantly blessed to be a part of Redeemer and greatly anticipate becoming members.

Roelie Byker

I was born in Rotterdam, The Netherlands and immigrated to Toronto, Canada with my family. I was raised at Second Reformed Church in Rexdale, Ontario. I married my one and only – a Yankee of all things! We moved to Grand Rapids, MI on our honeymoon and all 3 of our sons were born here. We moved to Ripon, California for 10 years – moving back to Michigan in 1988. I worked as an RN in Critical Care, Acute Rehab and Medical Case Management from 1972 – 2021 when I retired.

Gary Burghgraef

I was born in 1968 and was baptized as an infant in the Racine (WI) Christian Reformed Church. At the age of 5, my family moved to Toledo, OH. Our family was members of Community Christian Reformed Church. I attended Emmanuel Baptist Christian schools, K-12. I moved to Grand Rapids to attend Calvin College in 1986 and have lived in West Michigan ever since. My wife, Melanie, also grew up in Toledo and we attended the same school. We did not start dating until we were both students at Calvin. We married in 1994 and were blessed with two children, Chase (1998) and Morgan (2001). We were members of Calvin Christian Reformed Church for the last 25 years and had attended there for 28. Both of our children were baptized as infants, and we rejoice that they have professed their faith in Jesus as well. We have been attending Redeemer for a little over a year and really have appreciated it thus far.

Melanie Burghgraef

I was born in Toledo, OH and grew up in the Christian & Missionary Alliance. I attended a Baptist school (pre-k through 12). I went to Calvin College and started dating my Spouse at the end of Freshman year (we had known each other since Jr Hi). We were married after college and have two children: Chase and Morgan. We are now "empty nesters" and live in Rockford. I am an NP at Corewell Health. We found Redeemer online in early 2023 and have been attending ever since.

Redeemer Food Pantry

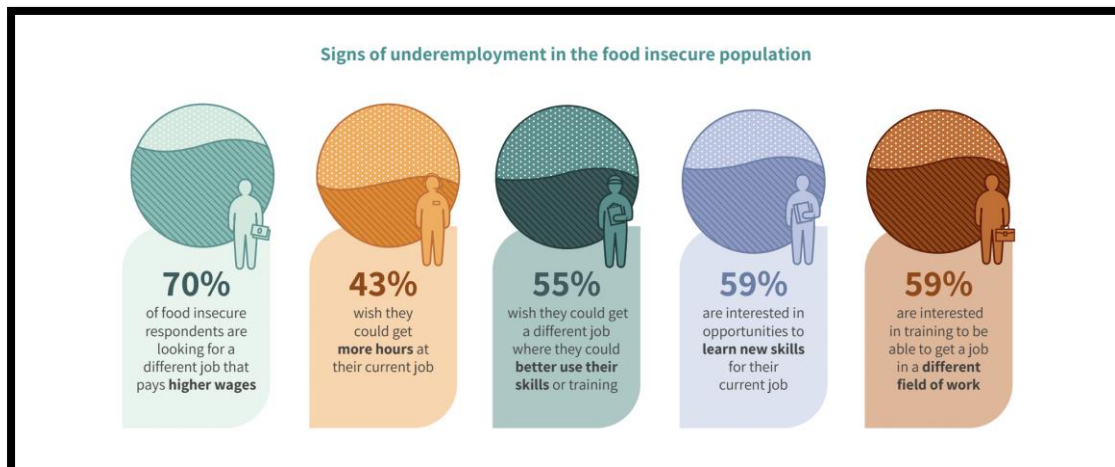

Matthew 25:35-40

35 For I was hungry, and you gave me food, I was thirsty, and you gave me drink, I was a stranger and you welcomed me 40 And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.'

In June, we were blessed to serve 18 families through the food pantry ministry. We enjoyed having new volunteers to help as well! So many of the families that came this month had tremendous needs and being able to help them with food and prayer was a wonderful opportunity to share Christ's love with them. This month's food focus is Fun Summer Foods. Summer picnics and outings create wonderful memories for families but can often be expensive and out of reach. Please consider bringing your favorite summer foods to share this month! Perishable Summer Food and/or bread, milk, eggs, fruit, vegetables, meat and cheese are also VERY welcome in the few days before the 13th. Please make sure perishable items are marked "food pantry" and placed in the fridge in the church kitchen. This is a great opportunity to get your family involved in serving! Thank you for enabling Redeemer to continue helping an even greater number of families with critical needs and giving to them in Jesus name. Please consider dropping donations off at the Church THIS week or coordinating with the Hill's for pick-up or drop off of perishable items.

Helpers are also needed to serve from 9:00-11:30 Saturday July 13th to set up, serve, and clean up. You will surely be blessed by serving through this outreach in Jesus name. Please call Steve Hill for more information. (616) 286-2419.

Redeemer Women's Ministry

Women's Fellowship is a group of women of different ages and life situations who desire to serve the Lord and the women of Redeemer. Our goal is to plan 4-6 fellowship events per year which have a mix of fun and education and equip women for spiritual growth.

We hope that our events help create new friendships between varying generations of women at Redeemer.

We know that fun often leads to deeper conversation and connection.

It gives women an easy entry point when looking to get to know more people or be involved in our church.

We want women to feel welcomed and comfortable and therefore served and loved by the body of Christ.

When asked to give a short profile of each member on the committee, this is what one member wrote:

Greta- knows anyone and everyone at Redeemer, making sure no one goes unnoticed

Joni- creativity through the roof and the Master of Games and icebreaker activities

Katie V- food pro and get-er-done gal

Arielle- not a problem she can't solve, master of logistics

Emily- making every detail beautiful and thoughtful

Katie N- types 80 words per minute and can strike up a conversation with anyone on just about anything.

We look forward to serving the women of Redeemer. If you have any comments or suggestions, please let us know. We hope that we will get to meet many of you at the women's summer event on July 25 at Duke's Lakehouse.

Also mark your calendars, we are planning a women's retreat March 7-8 at Maranatha Bible Conference.

Joni Bras, Katie VanRee, Arielle Suwyn, Emily Paauw, Katie Newberg, Greta Entingh

Dear Redeemer Family,

I want to officially let you know that my time leading Redeemer's women's ministry has come to a close. This decision was made over a year ago after Tom and I attended a foster care orientation and realized if we wanted to even think of pursuing this plan for our family I would need to step back from leadership. Last June I informed the Women's Ministry Leadership Team (WMLT) of this decision to allow time to find and equip Redeemer's next women's ministry coordinator. I cannot tell you the comfort I have knowing God is the same yesterday, today, and forever, and He is just as sovereign over the future of women's leadership as He was in forming this ministry over the last five years.

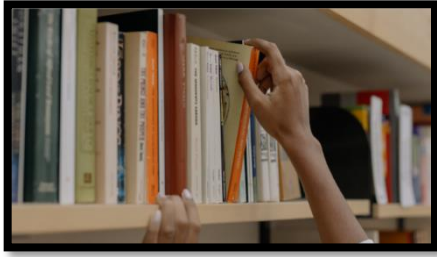

I also have confidence in the next season of women's ministry as it is led by co-coordinators Beth Harmon and Jori Orr. Beth has served on the WMLT since we began talking about restructuring women's ministry in the fall of 2019 and Jori has quickly proved to be an asset to this team in the short time she has served.

I believe these women with their gifts of vision, administration, and enthusiasm have been gifted to the WMLT "for such a time as this," and their reliance on God through prayer to help them lead is another reason for confidence. Women's ministry continues to grow with our church and it is still our desire to see women use their gifts to edify the body and grow in Christ-likeness alongside one another, blessing more than just Redeemer and overflowing into the areas of the community God has placed each of us in.

I want to thank you Redeemer for your support of women's ministry as it re-formed to a team structure. We have been blessed with many women who have stepped into new ministry roles, giving up their time to serve the church. I also want to thank our men and the leadership of this church who have encouraged and supported us. You have made it a joy to serve our church family in this way.

Proverbs 9:9-10 Give instruction to a wise man, and he will be still wiser; teach a righteous man, and he will increase in learning.¹⁰ The fear of the Lord is the beginning of wisdom, and the knowledge of the Holy One is insight.

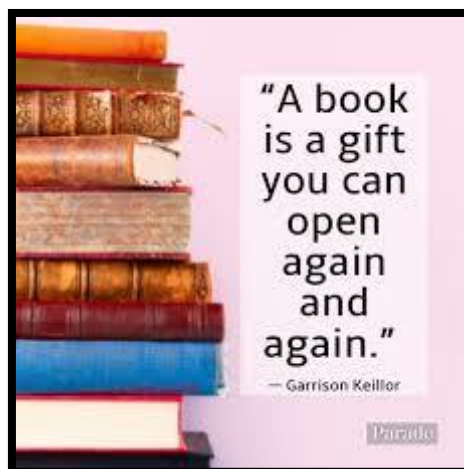

[This Changes Everything](#) by Jaquelle Crowe, reviewed by Keziah Beeke

When Jaquelle Crowe was 18 years old, she decided she wanted to write a book dedicated to all young adults and teenagers to explain identity, spiritual growth, relationships, sin etc. All important in the life of a youth and helpful in the journey of a young Christ-follower. She makes a special note on how kids can be influential in the life of the church. She strongly believes and suggests that the adolescents in the church are also useful in bringing aid to the body of Christ, no matter our age or other differences that stop us from wanting to share our faith.

Crowe makes sure that her point gets across and openly tells her fellow brothers and sisters in Christ that their Christian lives don't matter at all unless they truly know God. Not just know about Him, even the demons know about Him, but to truly know God. Jaquelle also states that this should be our new worldview. To see everyone through the eyes of Christ and to live a new life while learning how to love others well and growing in our faith and walk with the Lord.

I would recommend this book to anyone within the age of 10-19 because it truly answers some of the hardest questions a teen or preteen might be struggling with, and it helps explain the importance of what it means to follow Christ wholeheartedly.
