### Prayer for the Persecuted Church–Indonesia

Kila, who is in his late twenties, survived an East Indonesia Mujahideen (MIT) terrorist attack on a small group of Kalimago villagers in 2022. His friend, Marten Solon, was killed in the attack. Kila shared about the experience and how God used it to motivate him when he was a nominal Christian to live his life for God rather than himself. Kila is still experiencing some ongoing health complications due to the trauma of the attack. Pray for this brother in Christ to experience complete healing and to continue to grow in his love and commitment to the Lord.
