### Prayer for the Persecuted Church–Laos

In early 2024, 50 persecuted Khmu Christians from several villages participated in a gathering at a church where they could share their struggles and stories with other persecuted Christians; support and pray for one another; and receive encouragement from God's Word. Front-line workers chose the location used because Christians at the host church have faced intense persecution in recent years, including the destruction of crops and forced payments for spirit sacrifices in the village. Many participants expressed their thankfulness for the gathering, which encouraged and refreshed them.
