

Hello Students & Parents!

We are very excited to announce that Redeemer Youth will be registering to go to Super Summer Oklahoma this summer! Where most camps like Falls Creek or Camp WOW are more evangelistic in nature, the aim of Super Summer Oklahoma is to make disciples of Jesus Christ and equip Kingdom Leaders. Our policy is that any student can apply for Super Summer. However, if a student wants to participate in Super Summer they must complete the following:

#### Checklist

- Online registration (see below)
- Complete a Spiritual Assessment (attached)
- Schedule an interview with Caleb and a pastor
- Reference form completed by an adult (non-family)
- Influence form completed by fellow Redeemer student

Super Summer exists to inspire and equip students as Kingdom leaders focusing on 6 core values; Spiritual Growth, Spiritual Disciplines, Leadership, Evangelism, Discipleship, and Service/Ministry.

*Because Super Summer heavily relies on the consistency of meeting in a small group with students from all over the state, their leadership board has asked us to communicate that if a participant plan to attend Super Summer, **they must plan to attend the whole week.** Only in emergency situations do they allow students to leave and return to camp.*

A few students have expressed interest in going this year, so we have put together this process and it is a quick turn-around. For next summer, you will be notified of these expectations in the Fall, I simply wanted to make you aware of this opportunity if this was something you or your child may be interested in. Super Summer has played an incredibly influential part in my life as a student, leader, and minister. I am so looking forward to what He will do with our students!

On a personal note: Thank you so much Redeemer Church for loving Maci, the boys and me. You truly live out the Gospel and have made us all feel loved, cared for, and at peace. You have made us feel like we are home. I love you all and cannot wait to see how God continues to work in us in the years to come. Please let me know how I can help!
