

## Questions for Reflection

In what ways has familiarity with the Christmas story kept you from being in awe and wonder of Jesus.

God's plan of salvation doesn't come to a person of influence but to an engaged teenager. What does this reveal about the heart of Jesus?

Jesus is the perfect picture of strength contained in weakness; how does this challenge your understanding of what strength is?

When do you find it hardest to believe that God can do what he says he will do?
