

REDEEMER

SAN ANGELO

COMMITTED MEMBERSHIP

Why is membership important?

The Local Church is a group of people who trust and confess Jesus as their Lord and Savior who are following Him together with their whole lives. What binds us together as members of a local church is agreeing to the commitments we are making to God and one another, to:

- Pursue, above all else, unity in love for one another in the church through deliberate acts of goodwill toward our brothers and sisters; in addition, maintaining a willingness to “put off” the indulgences of our sinful nature that causes division within the body of Christ;
 - *Colossians 3:1-18*
- Commit to be a part of the whole as the local church worships together, serves together, learns together, bears life’s burdens together, celebrates together, and makes disciples together;
 - *1 Corinthians 12:12-31*
- Follow the Lordship of Christ, under the leadership of His appointed Elders.
 - *Hebrews 13:7*

What is a membership commitment to Redeemer?

- First, a committed member is a Christian who has accepted Jesus’ gift of salvation and eternal resurrection, and then has been baptized as evidence and testimony of their commitment to follow Him as a disciple.
- The commitment to being a part of the local church includes a commitment to follow Jesus Christ. This is evident through regular participation and service at Redeemer’s gathering and worship services, a willingness to serve where needed, and having involvement in fellowship with other members of the church body through a small group, equipping classes, Bible studies, and members’ meetings.
- A membership commitment includes the responsibility to notify Redeemer’s leadership if, at any time, I can no longer commit as a church member or if I have any questions, comments, or concerns regarding Redeemer San Angelo.
- It is also important to have read and become aware of the Redeemer’s Core Doctrinal statements.
- A membership commitment includes a willingness to join with the other members of Redeemer in committing your life patterns, abilities and resources to contribute to the vision, culture, and discipleship strategy of Redeemer San Angelo.
