BEGINNING TODAY...

- Redeemer is embarking on a journey to come home.
- Called **ARISE**, Redeemer is establishing a Capital Campaign for the sole purpose of establishing a permanent home for Redeemer Presbyterian Church.
- **ARISE** is for us, our children and for generations to come.

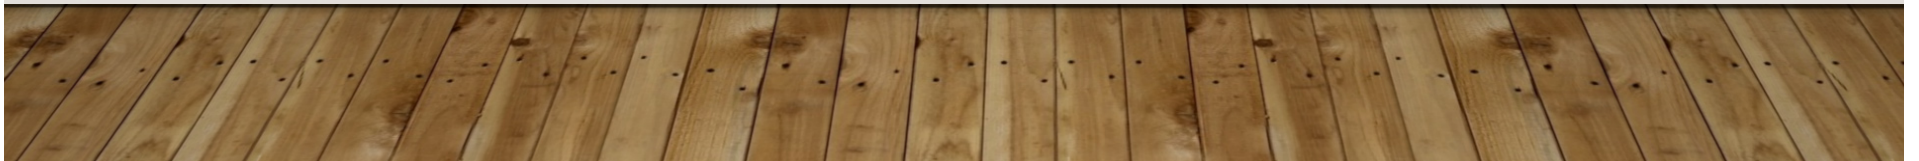

ARISE

BUILDING THE FUTURE OF REDEEMER

“We envision a Virginia Beach home for our congregation to worship, mark milestones of weddings and funerals, and invite neighbors of all ages to learn about Jesus Christ. We envision a place for the city – serving the poor, welcoming neighbors to artist events, boys’ and girls’ scouting events, civic league meetings, and more. We want to physically manifest what it looks like to be a ‘church not for ourselves.’”

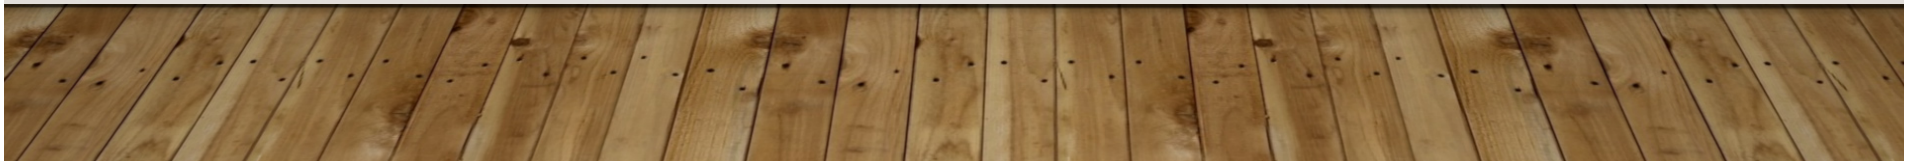

BUILDING THE FUTURE OF REDEEMER

“One of the best ways we can love and bless our neighbors is by becoming a physical neighbor ourselves. Renting is impermanent and often makes us invisible to those who live nearby. We want to do more than descend into a neighborhood on Sundays to ‘use’ space. We want to be rooted in the fabric of a neighborhood to share space – and be part of advancing the common good for generations to come.”

- Redeemer Presbyterian NYC

WHY *ARISE*, WHY NOW?

- In 2006, Redeemer began as a church plant with only a handful of followers. For the past 10 years it has seen consistent growth.
- We have grown from a small group meeting in homes, to a public worship meeting in an Elementary School Cafetorium, and now to our present location at Lynnhaven Presbyterian Church (LPC).

- Weekly attendance has grown consistently during this time and now averages 80-100+.
- As we have grown so have our needs for space and time usage of that space.
- We always want to be good tenants, but we know our growth has impacted our space and time usage here.
- LPC has always been considered a temporary home for Redeemer by both churches.

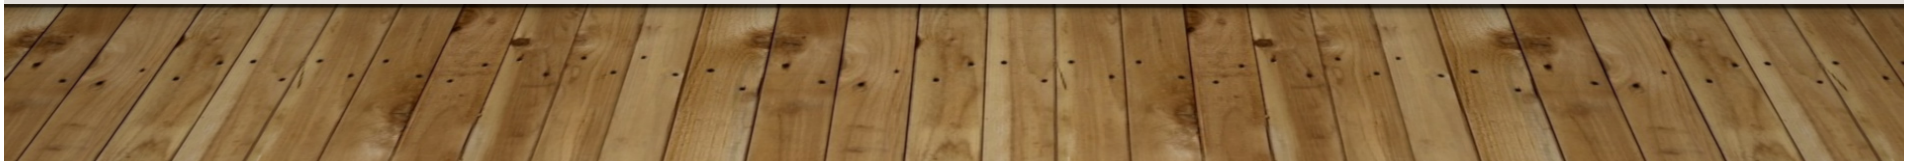

ARISE WHY **ARISE**, WHY NOW?

- Our lease has a 180 day termination clause.
- The lease provides us with the opportunity to worship, fellowship and meet as a church body.
- It also provides us the opportunity to prepare for the future.
- God will provide us with opportunities for establishing a future permanent home for Redeemer.
- In fact, He already has, we just haven't been prepared to act and take advantage of the presented opportunities – yet!

BUILDING THE FUTURE OF REDEEMER

ARISE is a Capital Campaign to position us for the future, preparing us to consider permanent home opportunities as they are presented by the Lord.

WHAT IS **ARISE**?

- **ARISE** provides an established, well defined road to our future as a church and congregation.
- “If you don’t know where you are going, any road will take you.”*
- **ARISE** is our commitment (congregation) to making a real estate strategy part of Redeemer’s long-term vision to serve the Lord through delivering his message to Virginia Beach for generations to come.

- **ARISE** is greater than any one of us, but only as great as all of us coming together around a common goal.
- **ARISE** is all about preparing us as a church to be positioned to take advantage of future home opportunities as the Lord presents them.
- **ARISE** is a three-year Capital Campaign with the goal of establishing funding that will be utilized as seed money for our future church home.
