WELCOME TO HUNTING HAWK

The fairways contain generous, well-defined landing areas and with strategically placed features such as sand bunkers, mounding or the existing mature trees to present golfers with many alternative ways to play each hole.

Picturesque ponds give the course a serene quality and, at the same time, create excitement by coming into play on many of the holes.

Depending upon the challenge of each hole, the size of the greens will differ to offer an exacting target. Each of the greens contain an undulating putting surface designed to create a variety of placements for the flagstick.

Sand bunkers, mounds and grass hollows define and guard the greens while giving each hole a unique strategy and appearance.

Hunting Hawk Golf Club is located in a beautiful setting beside the Chickahominy River in Hanover County, Virginia. A great deal of care was taken during the design process to fit the golf course compatibly on this exceptional site selected by HHHunt Corporation. Working with the gently rolling terrain, mature stands of trees and wetland areas to incorporate them as features, allows the course to "lay lightly" on the land. These existing features and the surrounding scenery give the golf course an inherent visual quality and natural character.

ON A MISSION...

OUR MISSION

Our mission is to raise funds to support the works, resources and programs of MOMENTS OF HOPE OUTREACH who exist to give hope to our neighbors experiencing homelessness and those living in poverty.

MOMENTS OF HOPE OUTREACH

MOH operates a homeless outreach, provides emergency shelter to our unsheltered neighbors, operates a food pantry, and hosts a weekly community outreach luncheon rain or shine with a mobile pantry, health screenings, bike shop, clothing ministry, homeless services, fellowship and prayer. They began as a one-man homeless outreach in late 2014, began serving Saturday lunches in late 2015, became a 501(c)(3) nonprofit organization in 2016, launched an emergency shelter program in 2017, and opened a food pantry in 2019. "Mo Hope" serves Caroline, Hanover, Henrico and King William counties, and Richmond - north of the James River in Virginia.
