*"Love God and love neighbor. On these two commandments depend all the Law and the Prophets." - Jesus*

Rooted Women's Bible Study is a community Bible study class designed specifically for women. At each session you have the opportunity to...

\* Study the Bible in community

\*Walk line by line through entire books of the Bible, both Old and New Testaments

\*Study in a way that implements three key learning tools: personal study, small group discussion, and teaching time

Rooted WBS has a two-fold goal as they gather:

- 1) Through the study of Scripture, women would grow in their knowledge of and love for God as He reveals Himself.
- 2) Training women to comprehend, interpret and apply Scripture to every day life.
