This year, they are celebrating 13 years in Bourj Hammoud and one year in Kafarshima. Their mission remains to shape the character of underserved children through Christian values, healthy food, and a nurturing environment. To date, their all-women local staff has served over 4,000 families, providing children ages 1-4 with Christian early childhood development and nutrition to prevent educational delays. The ministry reaches over 60 parents annually through mentoring sessions focused on the Gospel, parenting, and stress reduction. Additionally, their GROW2 center in Kafarshima serves as a church plant for Resurrection Church, hosting an average of 59 attendees weekly.
