**Missionary Spotlight** John and Jennifer Samson | The Samsons are missionaries in Kenya serving with DOOR International. Less than 2% of the world's 70 million deaf people know God. Add to that, 90% of them struggle to read, so the written Bible is of little help. DOOR International exists to bring the Bible to the heart language of every deaf person in the world. John serves as an exegetical consultant with DOOR, one of only a handful of such experts in the world who are working on deaf-Bible translation. Let's remember their work in our prayers as they labor for God's Word to be made known.
