Missionary Spotlight Phil and Catherine Leckrone | Since 1995, Phil has provided computer support and Scripture layout for Bible translation teams in the Americas and beyond for Wycliffe Bible Translators. He also trains Spanish-speaking technology specialists in using translation and linguistic software to support and advance the Bible translation process. Catherine serves in the Training Department at JAARS. Her responsibilities include providing logistical support for events for new JAARS staff and JAARS managers. She is also involved in the InterCultural Communications Course, which prepares new missionaries for effective service. Please pray that Phil would have grace and strength as he handles several Scripture typesetting projects that will take up much of 2026 and into 2027. Please pray for wisdom as Catherine balances her responsibilities in the Training Department with her other ministry commitments.
