Missionary Spotlight Free Clinic of Central Virginia | Please be in prayer for the doctors, nurses, and staff of the Free Clinic of Central Virginia as they provide needed medical, dental, and pharmaceutical services to the uninsured in our community. Pray that as they provide services that bring healing to the body, the Lord will give healing to their soul by and through His Holy Spirit. Pray that Christ will be glorified as they serve the least of these in our community. The Free Clinic is now operating from two temporary locations: Medical at Quaker Memorial Presbyterian Church and Dental at 3718 Old Forest Rd, in the Community Access Network building.
