**Missionary Spotlight** Fostering Hope | Fostering Hope was started in 2019, by Lori Flowers, to support and encourage families at Rivermont and in our community who care for foster children. Foster and adoptive families need a community to surround them in their calling. Fostering Hope also provides an opportunity for everyone at Rivermont to serve these families by offering meals, providing needed equipment (cribs, bunkbeds, strollers, car seats, etc.), babysitting for families, and helping with childcare at our monthly Foster Mom's Connect support group. For more information, go to our website: [rivermont.org/fostering-hope](http://rivermont.org/fostering-hope) or contact Lori at (434) 660-1168.
