**Missionary Spotlight** Brian & Yoko Broaddus | Since 1998, alongside their teammates and local believers, Brian and Yoko have had the privilege of assisting with three Japanese churches, a training program for new missionaries, and a biblical counseling training ministry. At the end of 2024, God called them to remain in the U.S. for a season to care for Brian's mother and to serve as missionary advisors for the Japan field. For the Pioneers US office, Brian and Yoko mentor prospective missionaries and new missionary candidates preparing to leave for Japan. For the Japan area leaders, they provide coaching and counseling for the missionaries and their team leaders. Brian and Yoko are prayerfully seeking opportunities to share the gospel with the 5000+ Japanese living in North Carolina and partner with Japanese pastors in the area.
