# About This Catalog

*"And he gave the apostles, the prophets, the evangelists, the shepherds and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ."* **Ephesians 4:11-13**

Rivermont affirms what Paul ascribes here, which is that leaders of the church are not called to **do** the work of ministry for the saints, but to **equip** the saints for the work of ministry. This is an important distinction and if not held in balance can create unhealthy expectations on both leadership and congregation. Therefore, the leaders of Rivermont seek to both encourage and equip our members to engage in God's work, so that His mission might be fulfilled through Rivermont.

This catalog highlights the different ministry opportunities at Rivermont and are divided into five categories: Worship, Discipleship, Mission, Connection and Support.

- **WORSHIP** relates to all the activities associated with and in support of the public worship of God.
- **DISCIPLESHIP** relates to the teaching, discipling, and equipping activities of God's people for growing in Christ-like maturity and leading others to do the same.
- **MISSION** relates to the equipping and sending out of our best resources (human and financial) to preach and live out the compelling love of God in Christ for the renewing our community and world.
- **CONNECTION** relates to the utilization of human and financial resources to provide help, welcome, and support during times of need.
- **SUPPORT** relates to the administrative and logistical needs of the church.

Your task is to carefully review this list and prayerfully decide where you believe God would have you serve in one or more of these four areas. Many ministries on this list may already be underway in your life as you live out God's call; others may interest you as new opportunities to serve. Either way, please review the list and fill out the Ministry Opportunity Sheet (page 13) with the areas in which you are serving or would like to serve in the coming year. If you feel called to participate in a ministry not listed there, an area has been provided at the bottom of the page for you to fill in your desire to begin something new. We are always interested in helping our church family's gifts find their fullest expression in ministry.
