

## **Sermon Discussion Questions: 1 Peter 1:4-5**

**January 27, 2019**

1. What in the sermon encouraged you, comforted you, challenged you, or informed you?
2. What are some of the ways our hard work now benefits future generations?
3. According to Ecclesiastes 5:13-17, why is it pointless to build wealth for our benefit in life?
4. According to Ecclesiastes 2:18-26, why is it pointless to build wealth and have a lot of wealth to pass on to the next generation? How then should we approach work according to 24-26?
5. Peter says we look forward to an eternal inheritance that is imperishable, undefiled and unfading kept in heaven for us. How does building our life on this future inheritance kept for us in heaven provide both a more secure and lasting inheritance for us and future generations? What should we pursue now to pass on that inheritance to future generations?
