Paul and Reinhild Sydnor are based in Lille, France, and minister to refugees in Europe, where temporary haven has been found by millions of refugees (from countries mainly in the Middle East and North Africa) who have suffered severe religious or political persecution. Paul advocates for and works to help meet many of their practical needs by mobilizing and building partnerships with established national churches in European countries. Pray for the "healing" groups that Paul is leading to help refugees process their trauma as well as the Bible studies he is leading with seeking refugees.
