**MISSIONARY SPOTLIGHT: FOSTERING HOPE**

Fostering Hope was started in 2019 by Lori Flowers as a way to care and encourage families at Rivermont and in our community who care for foster children. Foster and adoptive families need community to surround them in their calling and Fostering Hope provides an opportunity for everyone at Rivermont to serve these families by offering meals, practical needs (bunk beds, strollers, carseats, etc.), transporting children to appointments, mentoring children and other important avenues. To get more information, go to our website: [rivermont.org/fostering-hope](http://rivermont.org/fostering-hope) or contact Lori at (434) 660-1168.
