DIVINE RELATIONSHIPS

Dear Partners and Friends of Rivers of Life Apostolic Ministries and Jesus My King around the world,

I greet you in the precious name of Jesus, our Lord and Savior, through whom we have our redemption. I thank the Lord Jesus for enabling us to bear witness to His works through us in these past years. Through the financial seeds you have sown and your prayers on our behalf, your faith account is “credited with righteousness” (Romans 4:21,22).

In this special 40-year ministry commemorative edition, you will read the history of the Lord’s faithfulness in my life. All that He promised, He fulfilled. This magazine also emphasizes the vital truth of team ministry. Your family is your team, and your church family is a team assembled by the Holy Spirit.

Our collective journey will determine the ministry’s success. Within the pages of this testimonial magazine, you will discover a hidden code: Divine Relationships. The success of our ministry is rooted in the divine relationships God has graciously granted us through people.

Building friendships with the love of God is paramount for us to achieve our divine destiny. God anoints people, not possessions. We often prioritize handling equipment, yet we can become careless in building and strengthening relationships with our church family, with whom we are tasked by the Lord to fulfill His purpose. As the Apostle Paul stated, “[I thank my God] for your fellowship (your sympathetic cooperation and contributions and partnership) in advancing the good news (the Gospel) from the first day [you heard it] until now” (Philippians 1:5, AMP).

This magazine serves as a testimony of a family bonded by the Spirit of Christ across nations, a testament of bondservants of

Christ (Romans 1:1), “from whom the whole body, joined and held together by every joint with which it is equipped, when each part is working properly, makes the body grow so that it builds itself up in love” (Ephesians 4:16).

I am grateful to the Lord Jesus for calling my wife, Angeline, and I to establish an end-time ministry in North Carolina, USA. It was not easy to leave our upbringing, family, friends, and church, but it was a joy to be entrusted by the Lord to obey a divine mandate. God enabled our children, Samuel John and Samantha Glory, to complete their biblical studies at Christ for the Nations Institute in Dallas, Texas.

GOD HAS
GRACIOUSLY
GRANTED US
THROUGH PEOPLE.

During the COVID-19 pandemic, He brought His chosen ones from various states across America to Shelby in North Carolina to build this ministry, allowing us to plant and embrace more churches within our network.

I am profoundly thankful to God for the editorial team, who dedicated hundreds of hours to collecting photos, write-ups, and testimonials from friends and ministers across many nations. This is also the first time I am

writing without having seen the draft, as the team wished to keep it as a surprise. Glory be to God.

May this magazine inspire you to follow a faithful God who never abandons us. I am deeply thankful to God for calling and anointing me for this mandate. May God bless each one who supports this work.

Steven & Angeline Francis

DIVINE RELATIONSHIPS

I am grateful to our Lord Jesus Christ for choosing me as the wife of Dr. Steven Francis. It is a sacred calling I joyfully embrace, and my deepest desire has always been to ensure he lives a blessed life. He truly deserves a life overflowing with blessings, especially after the many sacrifices and trials he has endured.

HE IS FAITHFUL TO GOD AND HIS CALLING

The title of this event, “Faithful to the Master,” perfectly encapsulates my husband’s character. Since his salvation at the tender age of 15 and a half, he has faithfully served God with fervent devotion. These past 40 years have not been an easy journey. Amidst joy, achievements, and recognition, he has also faced betrayals, pain, and lack. Yet, by the grace of our Lord, he has overcome every single trial. This unwavering strength he draws from our Lord is a constant source of inspiration to me.

”

HE IS UTTERLY FAITHFUL TO HIS DIVINE CALLING, DEMONSTRATING IMMEDIATE OBEDIENCE TO ALL OUR LORD COMMANDS.

Whether planting churches, conducting Bible schools, qualifying himself as a professional counselor, achieving a Doctorate in Ministry, speaking in churches and conferences, writing books, fasting and praying, or reaching out to the needy and discouraged—he has accomplished and continues to accomplish these tasks. Praise God!

A FAITHFUL PASTOR AND MINISTER

He is a faithful pastor who deeply cares for and protects his congregation, spiritually watching over them and leading them to the truth. He is a blessing not only to his congregation but to all he encounters, always making time to talk and encouraging individuals.

”

GOD HAS ENDOWED HIM WITH THE GRACE AND WISDOM TO MENTOR AND LIFT PEOPLE FROM THE “MIRY CLAY,” AND PLACING THEM ON THE SOLID FOUNDATION OF CHRIST.

His famous line, “Don’t worry! I will walk WITH you and lead you to Christ!” has the power to lift burdens and dispel fears. It brings me unexplainable joy to work alongside him, touching and transforming lives. We have raised up many spiritual sons and daughters who are serving the Lord with zeal today.

He is a powerful preacher. His sermons are never stale; they are freshly written from divine revelation. It’s a delight to witness his excitement during sermon preparations, as he often exclaims, “The Word of God is so rich! I have received a powerful revelation, and I am so excited to share it!”

His messages bring the presence of God, open our eyes to understanding, stir our hearts with passion for the Lord, and compel us to action.

His sharp words of truth, delivered with love, bring conviction without condemnation. Moreover, we experience open heavens when he speaks with God’s authority, emanating power and revelation that rains down fire from above, causing healings, deliverances, and breakthroughs—he accomplishes all with utmost humility.

A FAITHFUL HUSBAND AND FATHER

Beyond his ministry, he is a faithful husband and father. Despite his demanding schedule, he has never failed in his duties as a loving and responsible husband and father. Our children and I consistently witness the love of God displayed in our home through his actions.

”

HE IS A JOY TO BE AROUND, NEVER DULL, AND IS HUMOROUS, FUN-LOVING, AND ADVENTUROUS. HE LEADS US CLOSER TO GOD THROUGH HIS EXEMPLARY LIFE.

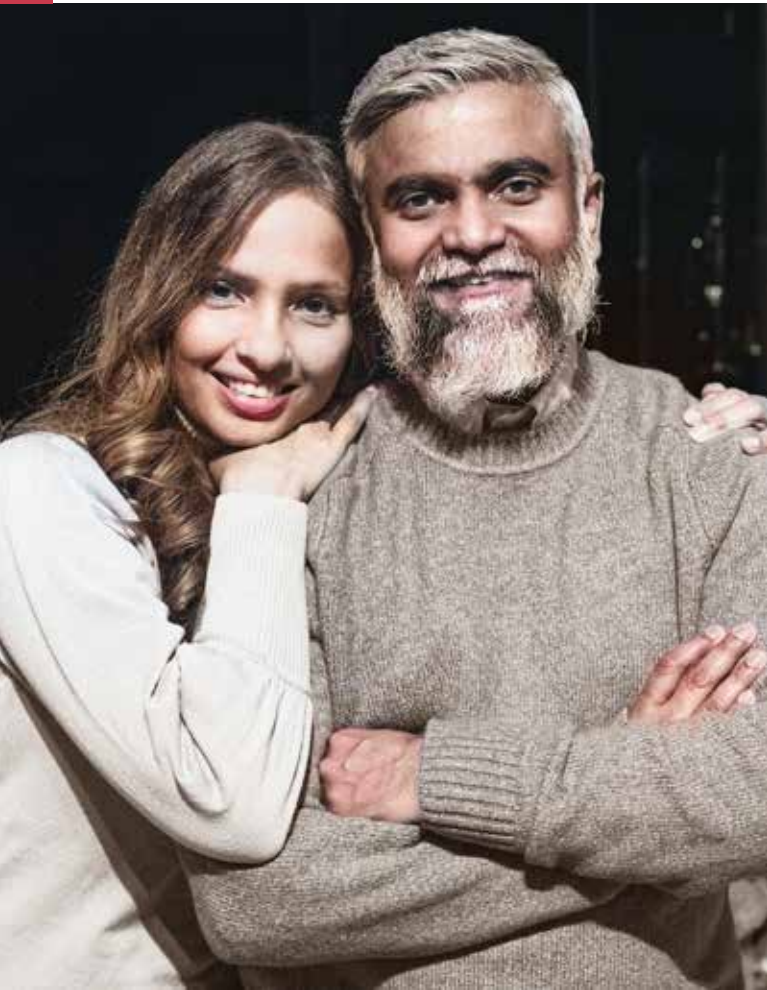

He supports and guides the children and me through every difficult period, helping us conquer obstacles. We are blessed!

A FAITHFUL FRIEND

My husband deeply values his friendships, some of which have lasted over 30 years. He never forgets or forsakes a friend who has shown him kindness. Despite numerous betrayals, he never hesitates to invest in others’ lives. I once asked him how he could show such commitment to others without fear of betrayal. His answer was profound:

”

“I’VE BEEN BETRAYED MANY TIMES... BUT WHAT MATTERS IS THAT I DO NOT BETRAY ANYONE, AND BE COMMITTED IN THEIR LIVES!”

A FAITHFUL MAN WHO WALKS CLOSE WITH GOD

He embodies the man described in Psalm 15. He is a man of his word, unafraid to stand for God and righteousness, always speaking the truth. He walks in love and forgives effortlessly.

”
HE SAYS, “WHEN YOU HAVE SEEN CHRIST AND EXPERIENCED THE THINGS OF HEAVEN, WHATEVER PAIN OR MISERY SOMEONE CAUSES YOU SEEMS INSIGNIFICANT.

Compared to these heavenly experiences, these earthly experiences mean nothing to me, making it easy to forgive and forget.” This made me recall the Lord’s words to us: “What we value on earth is worthless in heaven, and what we deem worthless on earth is valuable in heaven.”

FAITHFUL TO HIS APOSTOLIC CALLING

My husband has been shaped by the love, grace, and mercies of God, preparing him to take on this apostolic calling. In January, our Lord said, “My son, you will have many hidden scrolls that I will teach you how to prepare and prevail in the end times. You will be prepared as a vessel for my glory, and I have called you to prepare my people for the end time.”

We are thankful to God for entrusting us with this assignment, and we humbly request your prayers. “And I am sure of this, that He who began a good work in us will bring it to completion at the day of Jesus Christ” (Philippians 1:6). All Glory to God!

I love and honor my God-given husband.
Congratulations and blessings!

DIVINE RELATIONSHIPS

Congratulations, Man of God! It is with great joy that I congratulate my beloved brother, Rev. Dr. Steven Francis, on this divine commissioning as an Apostle of the Lord Jesus Christ. The apostle Paul calls himself “a bondservant of Jesus Christ, called to be an apostle, separated to the gospel of God” (Romans 1:1). The same can be said of Dr. Steven Francis as well.

I have watched his life unfold from the day he got saved in 1987. He was zealous for the Lord and for the things of God. From the age of 15, Steven has always pursued God passionately. He would come to me, hungry to learn and eager to grow in the deeper things of the Spirit. That hunger never left him these past 40 years. Instead, it deepened and matured into a powerful teaching anointing—one that has equipped, and inspired countless lives globally. I have always admired his great love for the Word of God and his unwavering commitment to teach it with clarity, depth, and truth.

As a prophet, the Lord has used him mightily to release precise and timely prophetic words—words that have changed the course of individuals, churches, and even nations. Yet his journey has not been without trials. The ministry demanded much from him. But through every test and trial, he has chosen the path of obedience, to faithfully follow His Master.

One of the most striking marks of his walk with God is his bold obedience to divine instructions.

When the Lord called him to move to the USA, he took a bold step of faith, mustering enormous courage to leave all that was dear and familiar behind. But he obeyed. Today, we see the fruit of that obedient faith—the flourishing of a ministry that is touching lives and transforming hearts around the world.

This new phase in his ministry is not merely a recognition by men of his accomplishments but a divine affirmation.

”
HEAVEN HAS MARKED HIM AS AN APOSTOLIC PROPHET—ONE WHO WILL CARRY THE VOICE OF THE LORD TO THE NATIONS WITH AUTHORITY, ACCURACY, AND APOSTOLIC GRACE.

Steven, I am proud of who you have become—a man who honors God, lives sacrificially for others, disciples and mentors others with diligence and excellence, and who stands boldly for truth with integrity.

May this new mantle bring you lower to the foot of the Cross from where you can draw greater inspiration, authority, deeper revelation, and broader influence for the glory of God.

Like the Scripture says, “But the path of the just is like the shining sun, that shines ever brighter unto the perfect day” (Proverbs 4:18). I pray the Lord will continually increase you from grace to grace to fulfill your destiny.

With love, pride, and joy,

It is my pleasure and privilege to congratulate Pastor Steven Francis upon the occasion of celebrating 40 years of remarkable Christian ministry and recognize him for the countless contributions he has made to the Kingdom of Christ through the changed lives of countless individuals.

I first met Pastor Steven several years ago when he first moved to Shelby after hearing God's direct call for placement here. Since that time I've had the ability to pray with him, attend his church's services, and participate in civic celebrations. It is apparent to all that through his leadership in prayer, fasting, witnessing, healing, prophesying, discipleship, education and community outreach that Jesus My King Church has greatly contributed to an atmosphere conducive to much needed repentance and revival.

The spiritual impact of this 40 year milestone cannot be overstated. Pastor Steven has disciplesd congregants both locally and worldwide who have put their faith into action. Under Pastor Steven's ministry, countless lives have been transformed through the saving grace of Jesus Christ, and those individuals have, in turn, shared their faith through their own testimony. This is what changes society for the good.

FOR THOSE OF US IN ELECTED PUBLIC SERVICE, THE TYPE OF MINISTRY UNDERTAKEN BY PASTOR STEVEN FRANCIS IS CRUCIAL FOR A FREE, JUST AND ORDERLY SOCIETY, AND WE ALL OWE HIM AN UNCEASING DEBT OF GRATITUDE.

I wish Pastor Steven 40 more years of success under the tutelage of the Holy Spirit!

DIVINE RELATIONSHIPS

I first met Pastor Steven in 2010 at a prayer retreat in Indonesia. We were assigned as roommates, and that providential moment sparked a lifelong friendship. I watched him work with meticulous focus and unwavering dedication as he laid the foundation for what would become Jesus My King. Though we were both pastors at the time, we felt the Lord nudging us toward further theological study. We eventually graduated in the same year, marking another milestone in our shared journey.

While I moved deeper into teaching ministry, Pastor Steven pressed forward into pastoral and prophetic leadership with a remarkable global reach. Through the years, our friendship grew into a brotherhood—I often say he is my brother from another mother. We've had the joy of serving the Lord together across multiple countries, combining pastoral care, prophetic insight and biblical teaching. These joint efforts have often resulted in fresh spiritual breakthroughs and renewed vision among leaders and congregations alike.

My partnership with Pastor Steven has been a source of inspiration and strength. What marks this partnership most is a shared passion for the move of the Holy Spirit, a commitment to integrity in leadership, and a love for the global Church.

THE BOND WE CARRY IS NOT JUST ONE OF COLLABORATION BUT OF COVENANT FRIENDSHIP, SHAPED BY YEARS OF PRAYER, LABOUR, AND LAUGHTER.

Pastor Steven is prayerful, adventurous, enterprising, and deeply sensitive to the Spirit. Above all, he is a loving and faithful brother. My wife Sylvia and I send heartfelt blessings to him, Angeline, Samuel, Kishern, Samantha, Dhearan. Forty is just a number—there are still many fruitful years ahead in life and ministry. I look forward to continued partnership with Pastor Steven in the years ahead as we seek to equip the Church and advance God's kingdom together. We thank God for him and wish him the very best in every way.

DIVINE RELATIONSHIPS

It is a true honor to celebrate Apostle Steven Francis and his 40-year legacy of faithful ministry. Steven is not only a brother in Christ and a dear friend, but a true son of God who walks in deep intimacy with the Lord. His unwavering obedience, spiritual integrity, and prophetic precision have marked him as a trusted apostolic-prophetic voice to the nations in this hour.

Serving alongside Apostle Steven has been both sharpening and inspiring. His heart for the global Church, his burden for souls, and his boldness to proclaim the uncompromised word of the Lord are rare in today's ministry landscape.

”

HE CARRIES A WEIGHT OF AUTHORITY, BUT WALKS IN HUMILITY. HE MINISTERS WITH FIRE, BUT MOVES IN LOVE. HE NOT ONLY EQUIPS THE SAINTS—HE IGNITES THEM.

I thank God for the privilege of running with such a fore-runner, one who does not bend to the fear of man but burns for the fear of the Lord. Pastor Steven, your voice has shaken regions, awakened the remnant, and confronted darkness. And I believe your greatest impact is yet ahead.

Congratulations on this milestone. May the next season be marked with even greater glory and global harvest.

It is with apostolic conviction and prophetic precision that I affirm Pastor Steven Francis as one appointed and anointed for the office of the Apostle. He has proven himself to be a wise master builder, carrying not only a burden for souls but a blueprint for regional transformation. As the visionary leader of Jesus My King Church, he has a gathering anointing that Shelby, North Carolina, and the surrounding region have never witnessed before. His assignment has attracted people from all parts of America and even foreign countries. Atmospheres where heaven invades earth, yokes are destroyed, and mantles are released have been a bi-product of his ministry. The weight of God's glory that rests upon his ministry is evidence of a man sent, not just one who went. Pastor Steven moves in governmental authority, prophetic insight, and a deliverance mantle that confronts darkness and activates destiny.

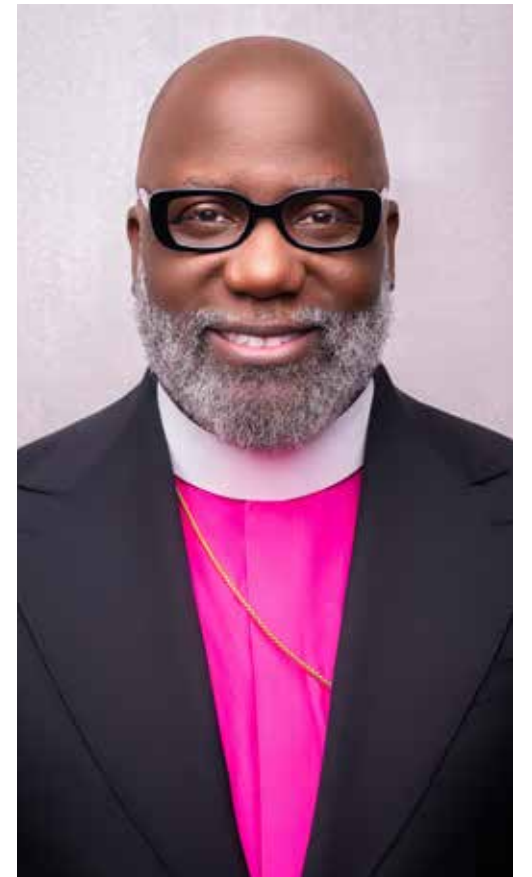

”

BEYOND HIS POWERFUL PREACHING AND SUPERNATURAL GATHERINGS, PASTOR STEVEN HAS BROKEN BARRIERS IN THE AREA OF DIVERSITY, GATHERING PEOPLE ACROSS ETHNIC, DENOMINATIONAL, AND GENERATIONAL LINES WITH UNCOMMON GRACE.

This is not the work of charisma, but of calling. He has demonstrated the true signs of an apostle: establishing order, equipping leaders, and tearing down strongholds that have held regions hostage for decades. His life is one of consecration, his ministry one of demonstration, and his future one of global impact. I affirm without reservation that this recognition of the apostolic office is heaven's confirmation of what he already embodies. May this moment unlock new realms of dominion and visibility for the sake of the Kingdom.

A PSALM

BY BARBARA CILLIERS

This man Steven, ardent adventurer
Will not settle for less
But ride with his Captain and Lord
On glorious missions
With flaming sword

Bless this man who has made hard choices
Shutting out all other voices
But that of the One in Whom his soul delights
Giving up, surrendering what could be his rights

The Lord says...
'I can trust this man
Without a doubt
I can trust him with My plan
For He will shout
My Name, My honor, My glory aloud
Yes, he will follow, not bound, but free
Simply for the love of Me
He knows My heart,
And will stay the course when others depart'

Lord, we see a man....
This man who is broken
Will go the distance
This man who has passion
Will face the resistance
This man with zeal for Your house
Will not compromise, but build
He will stop for the one
Bring him into Your fold.
He will pay the price
Till the job is done.

The Lion roars through him
The Lamb sacrifices through him
The fire burns within him.

Bless Your friend Steven, bless him Lord,
for we know his heart is truly Yours and
You do call him friend!

I CAN DO ALL THINGS THROUGH CHRIST WHO SUSTAINS ME

”

⁹FOR I AM THE LEAST OF THE APOSTLES, WHO AM NOT WORTHY TO BE CALLED AN APOSTLE, BECAUSE I PERSECUTED THE CHURCH OF GOD. ¹⁰BUT BY THE GRACE OF GOD I AM WHAT I AM, AND HIS GRACE TOWARD ME WAS NOT IN VAIN; BUT I LABORED MORE ABUNDANTLY THAN THEY ALL, YET NOT I, BUT THE GRACE OF GOD WHICH WAS WITH ME.

1 CORINTHIANS 15:9-10
(NKJV)

This article aims to provide a concise overview of my forty-year journey with the Lord, highlighting my spiritual growth and service. While a detailed account of the timeline and influential individuals would extend beyond the scope of this brief reflection, I hope this overview will inspire those aspiring to commit themselves wholeheartedly to God.

THE JOURNEY OF SALVATION

In seeking a scripture to encapsulate this four-decade walk with Jesus, numerous verses came to mind. Reflecting on this milestone, I am reminded of my late mother who possessed an unwavering faith that God would answer her fervent prayers and tears, raising me as a servant of God, much like my elder brother, Sadhu Sundar Selvaraj. To honor her memory, I have chosen her cherished lifetime scripture: “I can do all things through Christ, who strengthens me.”

My decision to embrace Christ was, in essence, an answered prayer, a culmination of my brother’s fasting and intercession, and my mother’s persistent pleas to God. Even now, I can hear her nightly cries at 8 p.m. imploring, “God, save my son and use him as a servant of God” as I had been deeply entangled in a life of gangsterism.

In September 1985, precisely at 8 p.m., I knelt and surrendered my life to Jesus. For three hours, the Holy Spirit revealed visions of my sins, including past altercations and rebellious acts. I repented with deep sorrow and upon rising I was filled with the Holy Spirit on the very day of my salvation, embracing a profound love for God and His Word.

THE SPIRITUAL GROWTH

The Holy Spirit instilled in me a profound desire for the Word and prayer, inspired by my brother’s fervent prayer life, his encounters with Jesus, and supernatural visions. He taught me to pray fervently for the power of the Holy Spirit, leading me to devote hours daily to Bible reading and prayer, with additional fasting and prayer on weekends. As my brother established a house church, I became deeply involved in the ministry, contributing to its growth into a full-fledged church.

Three months later, I received the anointing of the Holy Spirit with the speaking of tongues, marking the beginning of a life filled with visions and encounters with God.

In 1986, I distinctly heard the audible voice of the Holy Spirit around 4 a.m. The Lord gave me supernatural dreams and visions, where I saw myself preaching in stadiums, filled with divine power and healing the sick. One significant dream in 1985 involved the Prophet Moses, from whom the power of God flowed to me, causing my body to shake as if electrocuted. This trance dream conveyed that the prophetic anointing would come upon me and that God was calling me into full-time ministry.

I CAN DO ALL THINGS THROUGH CHRIST WHO SUSTAINS ME

Alongside the Word, the Holy Spirit imparted a hunger for spiritual knowledge, fostering a desire to read and grow. Each day, I immersed myself in stories of missionaries and missions, devouring books on prayer and spiritual growth. These foundational years of hidden growth taught me to follow the Lord Jesus’ footsteps and cultivate faith, instilling a deep love for His house and His people through the Holy Spirit.

THE BEGINNING YEARS OF MINISTRY

The Lord Jesus transformed my introverted nature into one filled with boldness; time spent with Him in prayer brought about this internal change. The gift of prophecy began to operate in me from 1986, accompanied by a daily consuming passion to win the lost, leading many to the Lord. I was actively involved in youth ministry, guiding them to follow the Lord, and our prayer meetings were filled with heavenly encounters. My first solo mission trip in 1987 to a town in South Malaysia consisted of seven days of prayer meetings at my uncle’s house. What began as a gathering for the family quickly expanded to over 50 people within four days, with many being filled with the Holy Spirit, healed, and delivered from demonic powers. I dedicated seven hours daily to prayer, and the Lord Jesus would reveal to me during the day what I was to speak at the evening meetings. Soon, word spread that God was using a young individual to prophesy and heal the sick.

During my early spiritual journey, though the power of God was evident, my brother instilled in me the importance of humility and submission to God. As time progressed, I found myself growing stronger in my faith and understanding of His Word. My two years of military service further deepened my commitment, prompting the Holy Spirit to inspire the creation of a Bible School-style training program for youth ministry. I diligently prepared lessons on faith and prayer, drawing

from my readings, and now recognize this period as the initial planting of a seed for the education ministry.

THE CHALLENGES AND STRUGGLES OF MINISTRY

My ministry has been marked by both challenges and significant growth. In 1985, I accepted Christ and began serving passionately. By 1992, at the age of 22, God called me into full-time ministry. Despite a modest monthly stipend of \$50 from our small fellowship, I devoted over ten hours daily to studying the Word and prayer. The church I pastored experienced substantial growth, expanding from 12 to 150 members by 1999. This growth extended to Singapore and to missions in Malaysia, leading to invitations from churches across the region and the expansion of the ministry into Indonesia and Australia. In 1998, the ministry was officially named Rivers of Life.

This period was not without its difficulties, including confrontations with spiritual adversaries. I also initiated a ministry to support impoverished children in Indonesia. It was often characterized as a time of pain and tears due to the challenging nature of the ministry and experiences of betrayal from church leaders, turning friends into adversaries. Through these trials, the Lord Jesus taught me to remain only where He intended me to be, recognizing this to be a season ordained for developing godliness and integrity.

In all the years of hardship, He instructed me to walk in supernatural faith, to speak faith, and to trust Him for my family’s needs, emphasizing the lesson of walking by faith amidst adversity. I am grateful for the many dedicated ministers God sent to strengthen my resolve. I dedicated time with those who sincerely served God, always believing in His higher plan for my life, even during seasons requiring intense faith, prayer, and trust. I earnestly prayed for my family, that we would honor the Lord through our service to Him. I learned much

” I WAS TRANSPORTED IN THE SPIRIT, AS IF ON AN EAGLE’S WINGS, AND FOR SEVERAL HOURS, THE LORD JESUS REVEALED FUTURE EVENTS BY BRINGING ME TO VARIOUS EARTHLY AND HEAVENLY LOCATIONS.

about growing and serving as a family, and my role as the family’s priest taught me many invaluable lessons that I still uphold today.

THE YEARS OF RESTORATION AND INTERNATIONAL MINISTRY

The Book of Isaiah has served as a foundational text through which the Lord Jesus has instructed me on restoration and new anointing since the year 2000. From raising children to serving in the ministry, the Lord remained faithful to His promises and provisions. He imparted significant knowledge regarding the various waves of glory that will manifest globally to herald His Second Coming. Furthermore, the Lord Jesus commissioned me to author books and disseminate my teachings through CDs.

On December 31, 2011, while fasting and praying with my wife Angeline, I experienced a new level of spiritual encounters. I was transported in the spirit, as if on an eagle’s wings, and for several hours, the Lord Jesus revealed future events by bringing me to various earthly and heavenly locations. I have since regularly encountered visitations by angels and to heaven, where the Lord Jesus taught me extensively. Through His love, He has healed me from the pain of betrayals, instilled new strength and hope. Also, I’ve completed my post graduate and masters degrees in counseling, as well as a doctorate in leadership.

I CAN DO ALL THINGS THROUGH CHRIST WHO SUSTAINS ME

In the year 2011, The King’s College of Prophets was established, followed by the founding of Jesus My King in Singapore by the Lord in 2012. Ushering in a new season of divine providence, God provided the necessary individuals to launch these ministries. Remarkably, from earning \$50 a month in 1992, we relocated to a new church premise, completing a \$500,000 renovation entirely debt-free. The Lord brought people with diverse gifts and talents to build the ministry, enabling us to minister to thousands of individuals. Angeline and I hosted The King’s School of Prophets, conferences, and traveled globally with my brother to preach at various gatherings. The Lord began to bless me financially, and the power of God was evident in our ministries, with countless testimonies of salvation, healing, and deliverance. The Lord’s faithfulness is truly remarkable.

THE TRUST OF HEAVEN – MOVE TO USA

Amidst significant growth and abundance in ministry, our church family deepened spiritually and in mutual love. In September 2018, through an encounter with the glory of God, the Lord Jesus spoke to me about my next assignment: planting an end-time ministry in North Carolina, USA. At 3:00 a.m., the Lord Jesus appeared to me and provided the address of the residential property I was to acquire to build a prayer barn, which would serve as an end-time portal of heavenly visitations. Following the Lord’s directive, we were commanded to be at the property by March 15, 2020, and we arrived on March 12, 2020. God connected us with Pastor Michael Widjaja, who moved from California to Kings Mountain, North Carolina, to establish this new ministry. After four and a half years of serving together, God called him to Jakarta, Indonesia, to serve the Kingdom of God more broadly with his family. While this marked another period of painful separation for family members and the church family, God remained faithful. The remaining journey is a testament for another occasion.

THE LESSONS LEARNT IN SERVING GOD

This reflection is a glimpse outlining invaluable lessons learned in serving God, beginning with a lifelong prayer for humility, faithfulness, and obedience since the age of sixteen. It emphasizes the importance of cultivating a profound spiritual life through prayer and scripture, striving for excellence in service to the Lord, and diligently guarding against the temptations of the world, material desires, and the flesh.

One of the greatest blessings along the way has been fostering godly friendships with virtuous ministers for mutual learning and growth. It underscores the continuous pursuit of knowledge through reading, maintaining a strong scriptural and theological foundation, and embracing a lifelong commitment to learning and expanding beyond my comfort zone. The importance of divine relationships, growing in love and compassion, and trusting in God’s unwavering support was central to my spiritual journey.

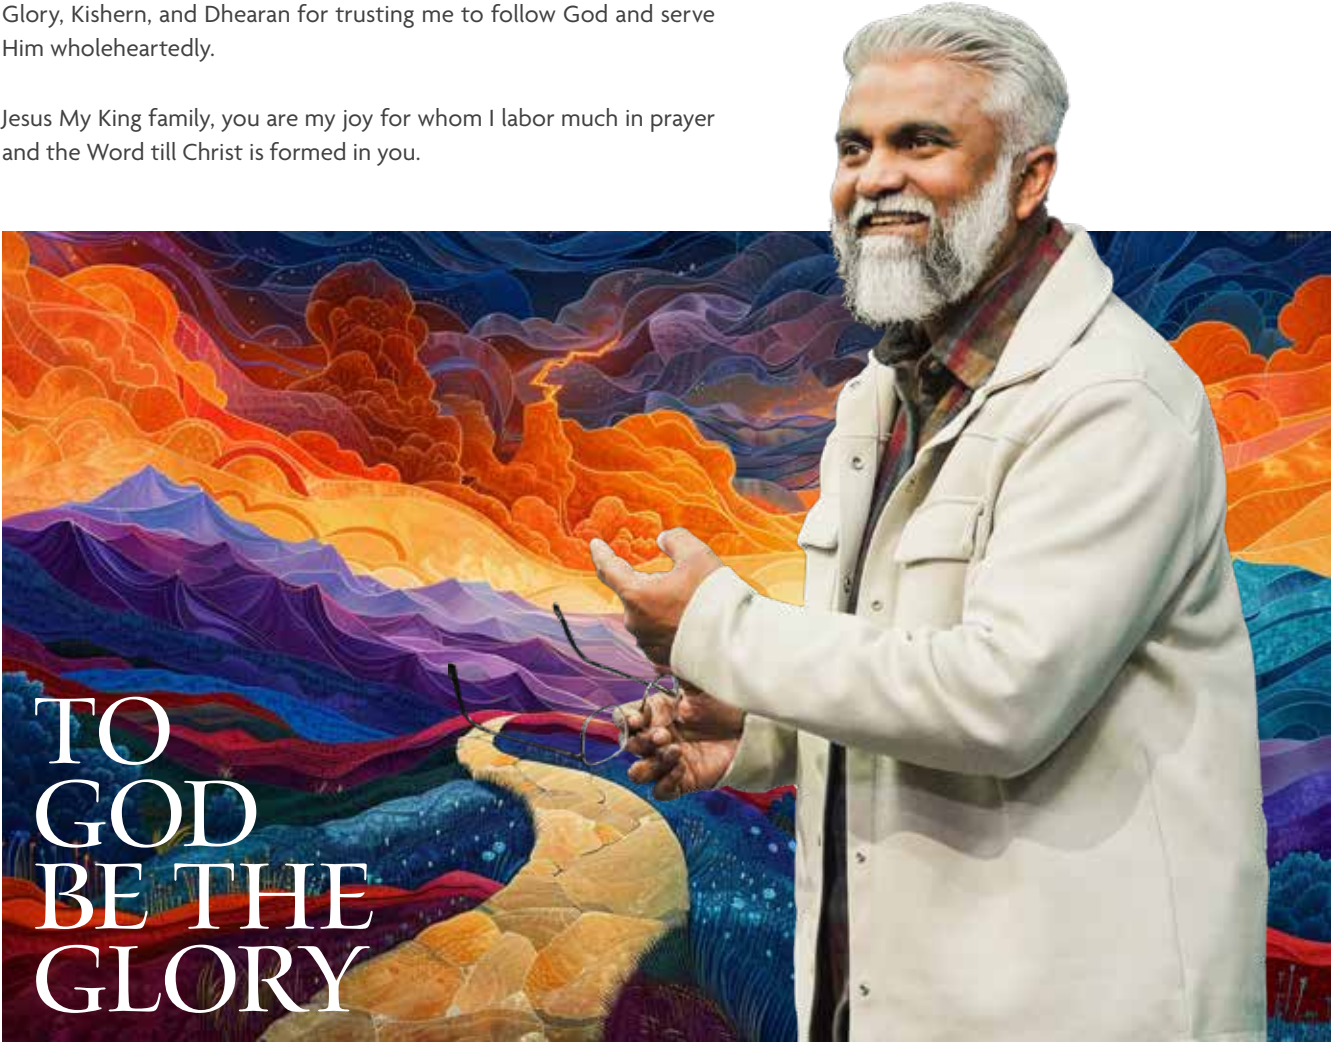

In the end, I’ve been encouraged to live with boldness in my faith, always seeking to achieve great things for God while upholding honesty and trustworthiness. Honoring my family to serve God collectively which calls for directive leadership in following God’s will, especially in mission to those in need of the gospel has become a meaningful part of my walk. Ultimately, what has stayed with me most is the paramount importance of walking in love, which is described as the “fragrance of heaven.”

I am indebted to my wife Angeline, children Samuel John, Samantha Glory, Kishern, and Dhearan for trusting me to follow God and serve Him wholeheartedly.

THE KING'S BARN

KING'S MOUNTAIN
SHELBY • CHARLOTTE

Just like how the Lord gave the specifications of the Tabernacle to Moses, the very materials and important details of how the prayer barn ought to be built were shown to Dr. Steven.

Through these encounters, the Lord has made His divine will known that this prayer barn must be built in Kings Mountain. The urgency and the importance of its completion has been emphasized:

”

NOT ONLY WILL IT BE A PLACE
TO INTERCEDE, IT WILL BE
A PORTAL TO HEAVEN OPENED
BY THE LORD AND
A TRAINING GROUND TO
EQUIP THE LORD'S ARMY.

It is our prayer and our hope to break grounds this August 2025. At the time of this writing, it is July 2025. We have raised \$820,000 and have \$180,000 more to raise. By God's grace, we are praying for the remainder of the funds to come in and to complete this project.

As the Holy Spirit prompts you to give, we pray that you will partake in the coming harvest with us as we make way for the King of Glory by fulfilling this God-given assignment to "prepare a place for the end time remnant".

BUILDING A HOUSE OF PRAYER FOR THE END TIMES

In the thick of the COVID-19 pandemic in 2020, the Almighty God sovereignly moved Dr. Steven Francis, his family, and the headquarters of Rivers of Life Ministries from Singapore to North Carolina, USA. Through multiple supernatural visions and encounters, the Lord instructed and guided them each step of the way. Even before Dr. Steven Francis set foot on the land, the Lord supernaturally gave the address while revealing his building assignment in America in yet another visitation.

It was in 2019 while ministering in South Africa, Dr. Steven Francis was translocated in the spirit to the very land which the Lord instructed him to purchase. In the encounter, Dr. Steven was counseled in a heavenly encounter to build a prophetic prayer barn. This prayer barn will be commissioned as a house of prayer where the Lord's last-days army would be taught and trained in supernatural translocations, traveling intercessory prayers, and the end-time prophetic lifestyle.

ANSWERED PRAYERS

The Blessing of Babies

baptizō

BY MELISSA ERSKINE

I had been studying and learning about the different types of baptisms in the Bible, and the Lord impressed upon my heart that I needed to be baptized. I had originally been baptized over 20 years ago. After expressing my desire, I was surprised to know it was going to take place within a couple of days.

The night before the baptism I was asking the Lord what I needed to do to prepare myself spiritually and He told me all I needed to do was present myself and that He would do the rest. It was my act of obedience that The Lord is looking for. In my heart I prayed for His gift of Intercession to be upon me.

On March 12 2023, as I was being lowered into the water, I had a vision seeing myself going under the water and coming up. Pastor Michael shared that when I was being baptized the Lord gave him a vision and he saw a bowl of intercession that was full and I was being given a new bowl of intercession. I understood the vision.

As I was thanking The Lord for His gift to me I realized He had His desire placed in my heart so I would ask of Him. What a loving and mighty God we serve!

I am very thankful to the Lord for His goodness in all things.

TOUCHING COMMUNITIES

Jesus My King strives to demonstrate the heart of King Jesus through community outreach and local missions, by serving those in need and by sharing the love of Jesus. Our current local outreach efforts to the community includes prison ministry, women's shelter ministry, and visits to a local nursing home. We've also had the opportunity to organise breakfast prayer meetings to bless our local government agencies such as the Cleveland County Sheriff's Department and the Shelby Police Department, as an encouragement to those who serve in our local county.

Sister Jacqueline Gantt leads the monthly visit to the Peak Resource Nursing Home. "It has been an exciting journey with our friends at the nursing center. We have seen several people accept Christ as their Lord and Savior in their elder years. Many of these people are forgotten by their families and community. Our focus has been to show them Jesus and bless them each time we visit. We in turn have been blessed and the experience has been inspiring as The Spirit of God has shown Himself with each visit. Even the staff in the home have been touched as we have been asked to pray with some individuals several times. We are called to serve in our communities and God has been so gracious to allow us to serve him with our elderly population!"

Brother Raphael Vasanth, the head of Prison Ministry adds, "Today this ministry has a dedicated team of 10 members, filled with the Holy Spirit ministering monthly to the inmates with the

passion of the Lord to save the lost souls, to give hope to the desperate, fatherless, widows and orphans. We have witnessed inmates being delivered from evil spirits, crying, shaking, weeping, repenting under the power of God, souls being saved, lives touched and transformed by the presence of our Lord Jesus Christ. It is real joy to see their faces filled with love, joy, peace and hope with tears flowing down their eyes thanking us for sharing the word of God with them."

not be possible without God's people to pour out with sincere hearts the love of God and the Word of God. Once a month, a small team from our church plans and prepares a meal for these women. We gather to serve, fellowship and offer prayers to these women and children. We also provide a beautiful new Bible to every woman from the generosity of a few in our church. I'm grateful Jesus My King is part of this rescue mission and for those who take the opportunity to fulfill His mission to carry His heart and be the hands and feet of Jesus."

WHAT GOOD IS IT, MY BROTHERS, IF SOMEONE SAYS HE HAS FAITH BUT DOES NOT HAVE WORKS? CAN THAT FAITH SAVE HIM? IF A BROTHER OR SISTER IS POORLY CLOTHED AND LACKING IN DAILY FOOD, AND ONE OF YOU SAYS TO THEM, "GO IN PEACE, BE WARMED AND FILLED," WITHOUT GIVING THEM THE THINGS NEEDED FOR THE BODY, WHAT GOOD IS THAT? SO ALSO FAITH BY ITSELF, IF IT DOES NOT HAVE WORKS, IS DEAD.

THE WARRIORS TRAINING CAMP REVIVAL MEETINGS

Pastor Steven instituted The Warriors Training Camp (WTC) in 2004 in Singapore. It originally started in a small office of a dedicated believer, with a handful of attendees. The objective of these meetings has been to ignite a passion for the Lord, fostering revival in individual lives. These revival meetings were held monthly over two days, specifically on Monday and Tuesday evenings. WTC was open for all believers of different churches. Many who came, accepted Christ, the young and the old were touched by the power of God, their hearts were stirred and filled with the fire of God which they carried to their own churches.

As the meetings grew in popularity and attendance, they eventually moved to larger halls and churches. Since the church Jesus My King, Singapore, was established in 2012, WTC has permanently been conducted at their premises. The meetings commence at 7 p.m. on both nights and can sometimes extend late past midnight, as Pastor Steven dedicates time to pray and prophesy over each attendee. Through this training, we saw lives being touched, changed and transformed; Healings and deliverances setting captives free, lives rededicated to the Lord; marriages being restored, the weak becoming strong as a warrior in Christ, having hope and faith for tomorrow.

The Warriors Training Camp continues to thrive at Jesus My King Singapore, and is currently led by Lead Pastor James Diamante. It remains a vital gathering for many believers.

WORD 7 DAYS OF OF THE LORD FASTING FOR 2025: AND AN OPEN DOOR PRAYER OF OBEDIENCE

The 7 day corporate fasting and prayer event was established in 2013 at Jesus My King Singapore, by Pastor Steven, specifically to honor the Lord during the first seven days of each new year. Following our watchnight service on December 31st, the entire church participates in a fast from January 1st to January 7th and we gather every evening at 7 p.m. to worship the Lord and receive the Word of the Lord from Pastor Steven.

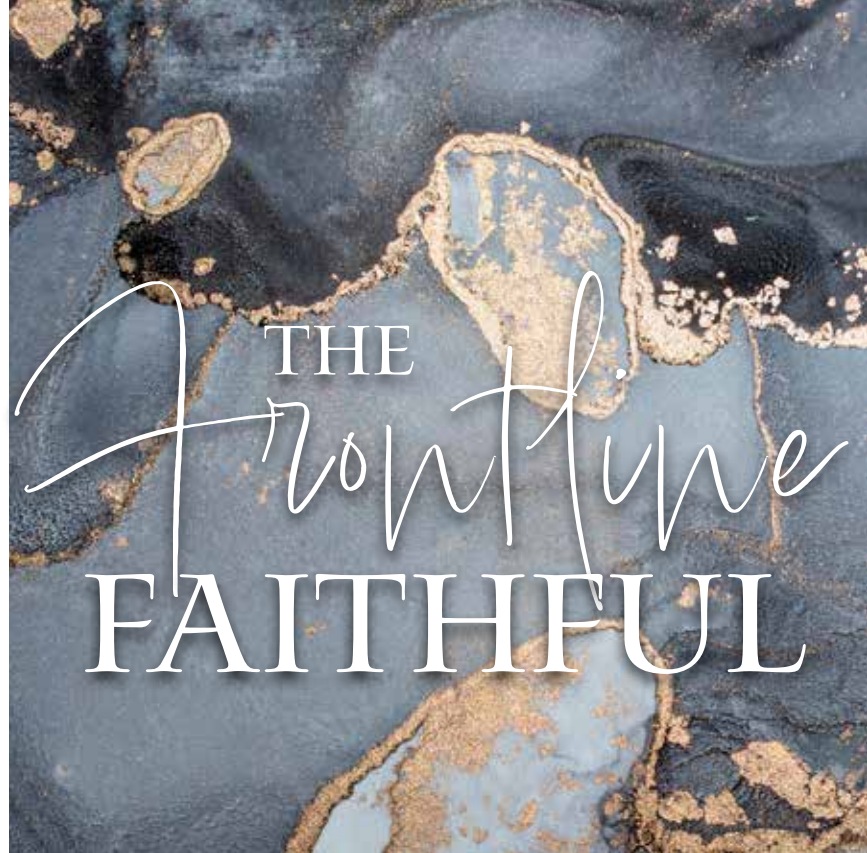

It has been a tradition within the Francis family to observe a fast from December 27th through January 7th. This period is dedicated to seeking the will of the Father for the upcoming year. During these times, Pastor Steven often receives divine encounters and visitations to heaven, where the Lord reveals insights into both personal, ministry and global issues that are anticipated for the coming year.

Some of these revelations are then shared with the church during our evening meetings, and it's truly powerful to witness the tangible presence of the Lord each night.

MANY OF OUR MEMBERS HAD ENCOUNTERS WITH THE LORD, RECEIVED DIVINE VISIONS, HEALINGS AND DELIVERANCES AND REDEDICATED THEIR LIVES TO WALK CLOSER WITH THE LORD.

At the conclusion of the seven days, Pastor Steven prays for and blesses the members for the new year, which is always a deeply reverential experience for everyone involved.

It is with immense joy and profound gratitude that I extend my heartfelt congratulations to Pastor Steven Francis on the momentous occasion of his 40th year in Christian ministry. His unwavering dedication and steadfast commitment to serving the Lord have been a beacon of light and an inspiration to countless individuals, including myself. Throughout the years of collaborating with Pastor Steven, I have personally witnessed his deep passion for the

Lord Jesus and the prophetic anointing he carries in ministering the Word. His wisdom, humility, humour and unwavering faith have consistently guided and empowered those around him, leaving an indelible mark on our lives and ministries.

Pastor Steven's impactful leadership and exemplary walk with Christ have not only transformed individual lives but have also significantly contributed to the broader Christian community. His legacy of faithfulness and tireless service will continue to resonate for generations to come. I am truly honored to have served alongside him and to have witnessed the profound impact of his ministry. May the Lord continue to bless Pastor Steven abundantly as he continues his faithful service.

It is an absolute honor to celebrate the life, legacy, and leadership of Pastor Steven. His ministry in my life has been of great impact and a key foundation in my spiritual journey. As the current Assistant Pastor of Warriors for Christ Church, I can confidently say that much of what I walk in today has been shaped by his unwavering guidance, mentorship, and example. Pastor Steven's life of integrity, consistency, and Spirit-led leadership has not only strengthened my personal walk with God but has also equipped me to lead with clarity, compassion, and conviction.

Under Pastor Steven's counsel, I was able to birth Beyond the Game Mentoring—a ministry focused on developing the hearts, minds, and identities of athletes through Kingdom principles. His wisdom helped lay the foundation for this vision, and his encouragement gave me the courage to pursue it. His mentorship has shaped me deeply, refining my character and challenging me to grow in the love of God and the weight of His calling in my life. I am forever grateful for the seeds he has sown into my life and ministry, and I celebrate him today as a true shepherd, builder, and father in the faith.

It is with great joy and gratitude that I write to congratulate Rev. Dr. Steven Francis on the remarkable milestone of completing 40 years in ministry. This is a testament to his unwavering dedication, faithfulness, and service to the Kingdom of God and to countless lives—including mine.

I first met Rev. Dr. Steven Francis in 2017 at the School of Prophets Chennai, and since then, he has been my spiritual father. His influence in my life has been profound and deeply personal. He has consistently shown genuine concern for my physical and spiritual well-being, guiding me with wisdom and compassion.

He has also been a pillar of support for my family. From offering guidance during my bachelor days and leading me through the journey of marriage, to continuing to care for us as a family, his involvement has been both personal and pastoral. His care feels like that of a close blood relative—sincere, sacrificial, and full of love.

Rev. Dr. Steven Francis is a man of integrity, especially in financial matters, and is deeply faithful to his word and commitments. His humility and down-to-earth nature make him approachable and trustworthy. As a mentor, he has shaped every area of my life, and I am truly blessed to walk under his covering.

Once again, I extend my heartfelt congratulations to him for 40 glorious years of ministry. May the Lord continue to bless him with strength, wisdom, and greater anointing in the years to come.

It is with deep joy and heartfelt congratulations that I honor Apostle Rev. Dr. Steven Francis on the occasion of his apostolic ordination, marking over 40 years of unwavering service in the ministry as a preacher, prophet, and now, officially, an apostle of the Lord Jesus Christ.

Throughout these decades, Apostle Steven has been a beacon of light to multitudes across the globe — leading countless souls to Christ, inspiring believers to walk in deeper obedience, and demonstrating what it means to live a life wholly surrendered to God. His dedication, integrity, and prophetic insight have set a standard for spiritual leadership that continues to shape and uplift the Body of Christ.

On a personal note, I am profoundly grateful for his presence in my own life. His prayers, guidance, mentorship, and fatherly leadership have been instrumental not only to me but to my entire family. Seventeen years ago, when many questioned my calling to write and publish a Christian book, it was Apostle Steven who believed in me. He gave me the opportunity to publish my first work under his ministry’s banner — a seed of encouragement that has since grown into a fruitful writing journey, with 3 books published and 4th one in the making.

Thank you, Apostle, for your unwavering love, for challenging us to grow in Christ, and for being a true servant-leader in the Kingdom of God. Your life and ministry are a testament to God’s faithfulness and an inspiration to many.

Once again, congratulations on this significant milestone. May the Lord continue to use you mightily for His glory in this new apostolic season.

With deepest gratitude,

Over the past five years of serving under Pastor Steven Francis, I have come to appreciate his remarkable ability to discover “diamonds in the rough.” This quality reminds me of our Lord Jesus Christ, who selected His twelve disciples not based on outward appearances, but by seeing their hearts. He engaged with them, challenged them, and consistently pointed them to the Father. I recognize these same traits in Pastor Steven Francis since my journey began with Jesus My King Church. He possesses a fatherly heart, which is quite rare in many churches today. I take great pride in being one of his spiritual sons, giving glory to God for the 40 years of his service, dedication, and submission to the Father’s will. Now, he has ascended to a higher calling in Christ Jesus. May God bless you and continue to shine His face upon you for many more years ahead.

PREPARE 2025 THE *Overcomers* CONFERENCE

Prepare Conference 2025 provided a vital door of entry to know and operate effectively in the spirit. God's tactical instructions from qualified and experienced leaders were received as they imparted their experiences from critical seasons of spiritual sensitivity.

MORE THAN EVER, BELIEVERS MUST ADVANCE TO THEIR PLACE IN GOD. DON'T FALL PREY TO THE ENEMY'S DECEPTION OF PRESUMPTION, BUT FIND OUT WHAT IT TAKES TO BE A TRUE OVERCOMER IN CHRIST JESUS!

THE PREPARE CONFERENCE

is a platform raised by God for His prophets to declare and articulate His Word, revealing the mind of the Father for the season that is advancing the Church. It is an annual prophetic meeting hosted by Rivers of Life Apostolic Ministries in the United States, gathering the army of God to hear the Trumpets from heaven.

Through the speakers, different dimensions of prophetic graces operate and serve as a plumbline in God's hand to bring accuracy and clarity of the Word for the Church and the nations. Not only is the strong Word of the Lord preached, participants can expect to experience measures of God's glory and His anointing, strengthening and sharpening of their spirit man. One main factor stands out in these conferences - the experience of the presence of God.

JESUS MY KING SINGAPORE

Praise and thank the Lord for His wondrous works in Jesus My King Church, Singapore. It has been an honor to be ordained by Rev Dr. Steven this year as the Lead Pastor of our local church in Singapore. The Lord has faithfully supplied our needs and raised many sons and daughters in the house of God.

In the last two years, our missions team went to Iloilo, Philippines, to serve in the field. We have done night crusades, feeding underprivileged children, ministering to the tribal community, and organizing pastors’ and leaders’ conferences, as well as prophetic conferences. By the grace of God, about 700 souls were saved, many were physically healed from their sickness, and a few hundred leaders and pastors received ministry. Many of them had served the Lord for years but had not been united due to the many denominations in that area. By God’s love and grace, many have now united and started partnerships. All glory to God!

In our local church in Singapore, we have been running Warriors Training Camp (WTC) and revival nights regularly every month for three years since 2023. The purpose is to ignite people’s fire and passion for the Lord, to seek His face, and to pursue Him with zeal, releasing the word of the Lord in season to prepare His bride for His coming. Many in our meetings have received healing, breakthroughs, and prophecies from the Lord.

We also have an outreach ministry to our local community called “Project Wells,” which aims to reach out to those who have not known Christ. Headed by Pastor Barnabas Wong, our Associate Pastor, many have been touched, healed, and a few have accepted Christ. We believe the Lord will open many doors for the gospel of Jesus Christ, for we know too well that the harvest is plentiful.

Lastly, the church has been focusing on discipleship and family this year, as the Lord has spoken to me to raise up godly families—loving and serving the Lord (Deut 6:1-9)—because the enemy of our soul is after them. As scripture says in Malachi 4:6, “And he will turn the hearts of fathers to their children and the hearts of children to their fathers, lest I come and strike the land with a decree of utter destruction.” I believe that if we do not fulfill this, many families will be destroyed by the evil one. Therefore, we are focused on discipling our church and family to wage war against the schemes of the enemy and to uphold righteousness and the word of God in our homes.

There is more work to be done, and I am assured that the Lord is faithful to finish what He has started in and through us. All glory to our God, who is faithful and mighty in all His works. Blessed be His holy name.

JESUS MY KING MARYLAND

The birth of Jesus My King (JMK) Maryland was not a coincidence, but it was a divine order and timing by our Lord. We were given the vision by the Lord in 2017, calling for us to gather like-minded believers to serve God's kingdom with specific tasks. Through 2 revival meetings with Ps. Steven, Ps. Angeline and Ps. Michael in 2020, Jesus My JMK Maryland was birthed in November 2022 as we came under the spiritual covering of Rev. Dr. Steven Francis.

Our journey as JMK Maryland has taken us to greater spiritual growth in our efforts to become more Christlike, building intimacy, and bringing heaven's attributes to earth. The weekly teachings of Elder Daud, Ps. Steven, Ps. Michael, Ps. Angeline, and the various conferences and trainings have facilitated and resulted in impactful spiritual growth as we serve in God's kingdom.

Our primary focus has been developing and cultivating deep intimacy with the Lord. With God's grace and through Ps. Steven's anointing, Elder Daud has been receiving revelatory teachings from the Lord with 52 topics and almost 200 slides over the last 4.5 years. With the Lord's direction, all slides and teaching material are part of education materials for the benefit of like minded followers, based on Elder Daud's vision in accomplishing his call and destiny for working in God's kingdom.

Although we are small in numbers, JMK Maryland is diverse in culture and background. Therefore, impacting our brothers and sisters in Christ in third world countries has been our ministry focus to date. Below are some of the highlights in which JMK Maryland has been contributing and participating with ministries from various countries through practical projects that meet the basic needs of the people and showing God's love.

- Annual Christmas donations (such as used-clothes and shoes, books, bibles and dried food) to Sierra Leone.
- Partnering with 2 ministries in India to meet the needs of women/widows, and children in villages. Providing daily meals and conducting tuition classes for at least 30 children.

- Investing 35 sewing machines for disadvantaged women/widows and training them in financial accountability in order to enable them to generate income for self-sustainability, providing basic needs and reducing poverty in their families. Monthly bible studies were also part of ministry to these women.
- Financing the gospel by supporting transportation costs of evangelists and donation of media equipment for Kingdom purposes, where some have given their lives to the Lord after watching an evangelistic movie.
- Distribution of 150 and 500 blankets to the elderly, widows and poor villagers in 15 villages in India during Christmas in 2022 and 2023 respectively. Sweaters for 50 children were also donated.
- Sowing into evangelistic efforts of children's ministry, spiritual and leadership training for 5 pastors in the Philippines.
- Partnering with the church in Argentina for their children's ministry and their church's evangelistic works.
- Locally, assisting our own JMK Maryland members in their times of need.

We are so humbled by what the Lord is doing at JMK Maryland. His overflowing goodness and His faithfulness in teaching us to stretch and grow. Glory to Him!!

JESUS MY KING LOS ANGELES

Since its inception in April 2022, Jesus My King Los Angeles (JMKLA) has experienced remarkable growth and transformation. The ministry has not only expanded since we first started but also in the depth of its members' spiritual and personal lives.

JMKLA has seen many of its members experience tremendous growth in their relationship with God. This spiritual growth has been evident in many of our members growing out of their comfort zones to lead in various ministries, including participating in outreach around our community, and seizing opportunities to serve and encourage people that need the love of the Lord Jesus.

Many members have also made significant strides in their careers and education. When we first started, many of the members did not yet have jobs or clarity for their future career paths. By God's grace and favor, many of the members have not only graduated with their undergraduate degrees, but many have successfully completed or have been accepted to various post-graduate programs (such as Finance, Social Work, Marriage Family Counseling and Nursing) in pursuit of their future career paths.

The fruits that have been yielded is undoubtedly a testament of God's love that has been shown to JMKLA through the support of the Rivers of Life Apostolic Ministries (ROLAM) team and leaders, including Pastor Steven and Pastor Michael, who ministered to the JMKLA members throughout these past 3 years. We are grateful for the continued partnership with ROLAM and the JMK Family, and look forward to serving together even more as we come closer to the second coming of the Lord Jesus Christ.

JESUS MY KING WORSHIP CENTER, BANGALORE

The journey of Jesus My King Worship Center in Bangalore is a testimony to God's faithfulness and the apostolic vision of Rev. Dr. Steven Francis, whose leadership continues to inspire spiritual growth and expansion globally.

2018 marked a significant moment of convergence for our ministries. During the School of Prophets in Bangalore, Pastor Steven and the Jesus My King Singapore team visited and ministered, reinforcing our connection to the global Jesus My King movement and deepening our alignment with its vision.

We experienced growth in the fellowship in 2019 to around 20 members meeting regularly in prayer and fellowship. In 2020, we formalised the ministry through the registration of Lion and Lamb Ministries Trust, providing legal and organizational structure for growth. That same year, we also began youth outreach, culminating in a youth meet in December 2020—a pivotal step in reaching the next generation.

In February 2022, we rented a space to serve as a training centre, enabling regular discipleship and teaching sessions. The turning point came on April 10, 2022, when under the apostolic leadership of Rev. Dr. Steven Francis, we were officially merged with Jesus My King (USA). The Jesus My King Worship Center in Bangalore was inaugurated, with Pastor Kishore appointed as the pastor of the congregation and Dr. G. John Daniel as Pastor Mentor.

From April to December 2022, we conducted evening services, with an average attendance of 6 to 8 people. Despite the small numbers, this season laid the foundation for spiritual depth, consistency, and leadership formation. In 2023, the ministry took a major step forward by shifting to morning services, which led to spiritual breakthroughs and growth—9 baptisms took place, along with the launch of Sunday School and Teens Fellowship.

The year 2024 brought further momentum: 2 baptisms, expanded family engagement, growing Sunday School activities, and the introduction of fasting prayers that enriched the spiritual atmosphere of the church. In 2025, regular youth meetings, weekday intercessory gatherings, and fasting prayers became

part of the ministry rhythm. Attendance has now grown to nearly 65 people, many of whom are active in various aspects of ministry.

From a humble prayer gathering to a Spirit-led, apostolically grounded church community, JMK Worship Center – Bangalore has seen God's hand move powerfully over the years. At every stage, the apostolic leadership of Rev. Dr. Steven Francis has been the guiding force—raising leaders, imparting vision, and unlocking the prophetic purpose of this fellowship.

We, the leadership and congregation of JMK Bangalore, join with joy and gratitude to honour 40 years of faithful full-time ministry by Rev. Dr. Steven Francis. His obedience to God's call and his heart for the nations have left a lasting imprint on our city and our lives.

To God be the glory for the great things He has done—and continues to do—through the life and ministry of His servant. Amen!

Pastor Kishore & Rev. Dr. G. John Daniel

SUNGAI KEHIDUPAN ROLAM INDONESIA

As a brief ministry report and update, I am currently pioneering Rivers of Life Apostolic Ministries (ROLAM) Indonesia to raise up God's last-days prophetic army in the nation and this region of the world. The Word of the Lord and the spirit of prophecy are stirring the Indonesian remnants around the world to prepare the way for the second coming of the Lord Jesus Christ. I preach in different churches from various denominations and synods every week, as that is the mandate God has placed on my life: to prepare the different parts of the Body of Christ in these last days.

We are touching the lives of thousands through prophetic gatherings, conferences, and online platforms. We see healings and deliverances not only in live gatherings but also in online gatherings. For example, once every month or two, we hold free Bible studies through Zoom, where usually 300–400 people attend, not just from Indonesia but from around the world. We have heard reports of healings from thyroid conditions, tumors, gallbladder stones, aches, and general body weakness during these Bible studies, and some have even returned to their doctors to verify their healing. Praise the Lord!

For social media, we are utilizing Instagram, Facebook, YouTube, and TikTok to spread the Word of the Lord. Currently, we have more than 100,000 followers combined across these platforms, and a few of our reels have received over 1 million views on Instagram. People are sharing and reposting clips of sermons, and we praise God that we are in the right place for such a time as this.

The Body of Christ is collaborating and being equipped as a trained force that is rising in local churches and beyond to do all that God has willed us to do and to be all that God has called us to be. Since the start of this year, collaborations among churches have been a highlight. Unseen and unheard-of prayer gatherings among different churches in one building have been taking place. We believe revival is coming, and for that to happen, the Body of Christ must be in unity.

Above all, we thank God for His goodness, mercy, and love toward His people in Indonesia. Thank you for your prayers, support, and love for me and my family as we continue to do the work of the Lord. Blessings!

WARRIORS FOR CHRIST, TEXAS

In our ministry we are in a defining season of momentum, and I'm grateful for the continued partnership and covering from Dr. Steven as we press into all that God is building. This journey has been marked by divine alignment, Kingdom clarity, and fruitfulness.

In the area of outreach, our reach continues to expand as we have expanded the ministry to Nuevo Laredo, Mexico where 12 churches are serviced. Lives are being impacted through devotionals, messages, and direct engagement with athletes, youth, and leaders. Beyond the Game mentoring has stepped out as a voice in the sports area for kingdom impact. We're witnessing a growing hunger for truth and transformation that can only be birthed by the Spirit.

Our teaching and discipleship ministry has become a fertile ground for growth and activation that is building and establishing people in the Lord.

This partnership with Dr. Steven continues to be a divine catalyst for spiritual growth and ministries. I believe we are only scratching the surface of what God intends to do through this alignment. We are truly grateful for the connection God has made and the way the Lord has used Pastor Steven in our lives and ministries.

THE LORD HAS DONE GREAT THINGS FOR US,
AND WE ARE FILLED WITH JOY.

PSALM 126:3

We give all glory and honor to our Lord Jesus Christ for His mighty works through the ministry of Kluang Mission House over the past year. The Lord has indeed shown His faithfulness and love among the indigenous communities and the greater region. Here are some of the significant testimonies and breakthroughs we joyfully report:

- Outreach Among the Indigenous Communities**
 Consistent ministry efforts have brought the Gospel to these villages, where seeds of faith are being sown and nurtured. God is touching hearts and transforming lives. A new soul has joyfully accepted Christ — one more added into the eternal Kingdom of God!
- Ministry of Mercy**
 Distribution of used clothes and daily essentials was carried out among the poor and underserved. This act of love opened doors for further ministry and strengthened community relationships.
- Strengthening the Body of Christ**
 Powerful pastors and leaders prayer meetings were held on New Year's Day, Passover and Pentecost Sunday, fostering unity, spiritual renewal, and fresh vision among the shepherds and workers in the region.
- Divine Healing Testimony**
 Remarkable healings from tuberculosis, demon possession and lung infection were witnessed, demonstrating that Jesus is still the Healer! We rejoice in this miracle that has strengthened faith among many.

We thank everyone who has prayed, supported, and partnered with this mission. Let us continue to labor in love, knowing that our work in the Lord is never in vain.

To God be all the glory!

Pastor Steven, congratulations on this remarkable milestone of your walk with the Lord!

You have modelled the love of Christ in your dealings with the people of God and demonstrated His care and passion for their growth and breakthroughs. Your unique call as a Prophet and Pastor has inspired, sharpened, fired up and grounded me with godly and practical wisdom for the day to day living.

I thank the Lord Jesus for the privilege to serve and grow under your leadership and to be part of the pioneering work forged by the powerful spirit of God. Seeing the faithfulness of God through the fruit and impact of His directed work grants deep satisfaction. I am blessed to call you my spiritual father and mentor.

As Paul said “Be imitators of me, as I follow Christ”, may your apostolic trail continue to leave a blaze as you follow the Lord fiercely, raising up many more sons and daughters of God for His Glory!

With love and blessings,
Christine Goy

I write this with great pride and deep gratitude to The Lord to congratulate my father, Dr. Steven Francis, on achieving this significant milestone.

He is a man of humility, strength, and unwavering dedication to uplifting others, including myself throughout every season of my life. He truly exemplifies the spirit of 2 Corinthians 3:5–6:

“Not that we are competent in ourselves to claim anything for ourselves, but our competence comes from God. He has made us competent as ministers of a new covenant...”

To witness his journey has been both inspiring and humbling.

This moment is more than a recognition of his leadership and excellence in service.

It is an honour to call him my father, and an even greater honour to be part of his life.

Proud of you, Dad.
Samuel Francis

With deepest gratitude.

KCOP BATCH 11 CLASS OF 2022 UNITED STATES OF AMERICA

The graduation ceremony for the King’s College of Prophets (KCOP) Class of 2022 was held on Saturday, June 25, 2022, at Jesus My King in Shelby, NC. This was the 11th batch of KCOP, but it was the first batch to be conducted in the United States. 48 students graduated with a Diploma in Prophetic Ministries and 9 students received certificates of completion. Students came from 11 different states of North Carolina, South Carolina, Virginia, Arizona, Maryland, New York, Nevada, Florida, Kansas, Wisconsin and California.

The graduation festivities officially started Friday night, June 24th, with everyone receiving their prophetic activation along with each individual graduate receiving prayer and prophetic words from Dr. Steven Francis. It was a powerful and meaningful beginning to our graduation weekend.

The graduation ceremony felt more like a worship service as the Lord’s presence was tangible throughout. There were speeches from Dr. Steven Francis, guest speaker Bishop Michael Moore, and the valedictorian, Robyn Morris. In her speech, Sister Robyn stated the following:

“I am so thankful to be part of a community where we are stretched and expected to go that extra mile in our discipleship. I was thinking about that this week, and the Lord spoke to me and said, “You can be a sellout...or you can be sold out.” The words seem so similar but have vastly different meanings. I looked up the slang meanings for both. A ‘sellout’ is someone who has compromised their integrity, morality, authenticity, or principles in exchange for personal gain or popularity. On the other hand, if a person is ‘sold out’ it means being com-

pletely committed, devoted, invested, and engaged to a cause. To have no reserves about the decision you are making. To be willing to go anywhere, do anything and give up everything to achieve your goal by any means necessary. I want to be known as a person who is completely sold out to Jesus. I believe that can be said for all the KCOP graduates. Some of these students traveled many miles every month and gave sacrificially of their time and money to be part of this class. You put me to shame. I just had to travel across town.

Sister Robyn ended her speech by encouraging her fellow graduates to mark this historic weekend down in the calendars. On Friday, June 24th, the Supreme Court overturned Roe vs. Wade; on Saturday, June 25th, KCOP graduated its first class in the US; and on Sunday, June 26th Jesus My King in Shelby celebrated its second anniversary.

**THE KING'S
COLLEGE OF PROPHETS**
was established by Dr. Steven Francis in 2011 with a vision to raise prophetic ministers for the end time harvest and the coming of our Lord Jesus. The goal of KCOP is to train warriors for these end times who will hear what the Spirit is saying to the church and become overcomers in Christ.

The school's training is based on 3 core values needed for prophetic training and ministry:

COMPETENCY IN THE KNOWLEDGE
OF GOD'S WORD AND THE SUB-
JECTS PERTAINING TO VARIOUS
DISCIPLINES OF MINISTRY.

INTEGRITY IN THEIR PERSONAL
WALK WITH GOD AND THEIR
CONDUCT IN MINISTRY.

ACCOUNTABILITY TO THE LORD,
TO THE CHURCH, AND TO FELLOW
MINISTERS BY ABIDING AND MIN-
ISTERING WITHIN THE LIMITS OF
THE WORD, THE WILL OF GOD AND
THE ETHICAL FRAMEWORK FOR
PROPHETIC MINISTRY.

To date, 11 batches of students have graduated from the King's College of Prophets with a Diploma in Prophetic Ministries and 3 batches with an Advanced Diploma in Prophetic Ministries.

When Pastor Steven began Jesus My King in Shelby in the middle of a pandemic in 2020, when the rest of the world (and its churches) was shutting down, it was a dream come true for us. We were hungry for more of God, His presence, and His power. We found all of that in Jesus My King. Pastor Steven is faithful to preach God's word and shepherd his flock. He concentrates on pleasing God, never bowing to fear of man. It has been a privilege and an honor to serve as elders under his leadership.

Pastor Steven has shared our joy during times of celebration with our children and the birth of our grandson, and he has walked with us through life's challenges. His prayers and his prophecies have proven powerful and accurate and have been the source of much wisdom and encouragement to us. We cannot thank God enough for sending Pastor Steven all the way from Singapore to Shelby. He is truly an answer to prayer, and we love him very much.

Elders Jamie & Robyn Morris
Jesus My King

It has been an honor to be part of Jesus My King Church. Having been in Shelby since 1991, it is quite amazing to see the impact Pastor Steven is having in our church. Because of him, we have had the privilege of meeting people from all over the world, that we would not have otherwise met. Because of his connections we have been graced with many excellent ministers.

We would like to take this opportunity to say thank you for your faithfulness to the Lord in serving the Body of Christ around the world and now in Shelby, NC. It is very obvious to us that you want to see the Church trained for what is coming. You give us every opportunity to be equipped. Your work takes much commitment and time. Thank you for your dedication in this area. Once again, thank you for your faithfulness in serving Christ and the Church. May God continue to bless everything you put your hands to.

Elders Jim and Sandy Logan
Jesus My King

In 1978 I made my commitment to the LORD and gave my life to Him, inviting Him inside. Since then I have been a typical "born again" Christian, faithful in church attendance and giving, seeking Him and His kingdom through prayer, reading, studying, and meditating scripture. I never assumed any positions of responsibility from then until Pastor Steven's arrival here. At the formation of the church, he asked Rebecca and I to take the reins of the King's chamber and to be elders, to which we gladly accepted his invitation. I was ecstatic. I believe I have entered into my destiny. For the first time in my walk with the LORD of 42 years, I am in a position requiring commitment, consecration, dedication, accountability and leadership. Traits blatantly transparent and exemplified in Pastor Steven's life and ministry. Never in my life have I witnessed such an outstanding expression of how to serve in the office of pastor. As a matter of fact, as an apostle, prophet, evangelist, and teacher. His ongoing faithful witness continually moves my heart to live a life of excellence.

Thank you and congratulations for forty years of unparalleled and matchless service.

Celebrating THE CALL

We want to thank the Lord for sending Pastor Steven to Shelby to start Jesus My King church. We've learned a lot to improve our Christian walk while serving on his leadership team. Pastor is a full time humble servant of God and he has taught us to reflect any praise or adoration we might receive back to God who deserves it all. Simply say, "Praise God." We've observed that Pastor Steven leads and operates this church as he has lived his life by seeking and following the will of God. We hope to emulate this plan in our ministry going forward.

Learning from his anointed sermons and watching how he lives his life, we understand that as we pursue the Lord we can hear from heaven and live a life pleasing to Him.

Praise God that he is a great Bible teacher, church builder, prophet and loving shepherd.

Elders Dr. Jess and Becky Powell

Dear Pastor Steven,
It is a great honor and privilege to pen a few words on this auspicious occasion.

We met almost 20 years ago, and our friendship has grown stronger and stronger by the year. My wife and I truly appreciate you as a wonderful man of God. A man after God's own heart with simple things in life and the beautiful part is you are so down to earth.

We find it so easy to relate with you and I am so glad my daughters have had the opportunity of getting to know you in India. My eldest daughter enjoyed her marriage counseling session even though she was in Australia.

I personally enjoy working with you and hope we will continue to foster our friendship together as a family always.

I truly want to take this opportunity to congratulate you in the Lord for the years you have pushed on with God without wavering.

May you continue to grow in the Lord more and more and "rub it on to me every time we meet" like Elisha and Elijah.

God bless abundantly,
Elder Bernard & Assunta Cruz

It is with heartfelt joy and deep gratitude that I extend my warmest congratulations to you on the incredible milestone of 40 years in ministry. This is a powerful testimony to your unwavering faithfulness, steadfast obedience, and passionate pursuit of God's call on your life.

Serving alongside you since 2012, has been a privilege and a blessing. Your prophetic insight as my spiritual father, depth and boldness in declaring the Word of God and speaking the truth, have left an indelible mark on me. Your leadership has inspired countless lives to walk in intimacy with the Lord and to operate in the fullness of their calling.

I have personally witnessed how God used you to ignite faith, build Jesus My King, and release revival and awakening across nations. The excellence of your ministry, paired with your humility, continues to be a model for many who desire to serve with integrity and the power of the Holy Spirit.

May this 40th year be a launchpad into even greater realms of fruitfulness, anointing, and kingdom impact. Thank you Pastor, for your obedience, your sacrifice, and your heart for God's people. We celebrate you today and always.

Warmest congratulations to Rev. Dr. Steven Francis (my favourite preacher) on reaching 40 years in ministry. Under his leadership, I have experienced a remarkable season of spiritual growth. His teaching has deeply blessed me, helping me walk in the Spirit and hear God's voice more clearly, making me steadfast.

Beyond the pulpit, he has been a spiritual father and mentor who is always willing to invest his time, speak truthfully, and guide me with wisdom and humility. His honesty has shaped me into a man of God, and my family is grateful for his guidance and innumerable help during our difficult times. We are truly blessed to walk alongside such a faithful servant of God.

Thank you.
Elder Matthew John

My heart is filled with gratitude to God for blessing me with my father. It is indeed an honor and privilege to be part of the Francis family. I thank the Lord for providing my father with all the grace and opportunities he has had throughout his life. Having a father who responds with fervency and obedience to anything and everything that the Lord calls him to is something to have great admiration for. As we celebrate this joyous occasion, let us all be reminded to respond to the Lord in the same manner and to do all things with joy in our hearts. To my dad, thank you for leading by example all through my life and I pray that the Lord will continue blessing you with all the desires of your heart. I look up to you. You have always been there for me no matter the situation and have always guided me towards God's call for my life. I love you dad.

If I could describe Pastor Steven Francis in one sentence it would be: A man after God's own Heart. He is totally sold out to God. A prayer warrior, educator, family counselor, friend, advisor, mentor, dynamic leader, teacher, jovial, resilient and insightful.

He is very charismatic and grounded in the Word of God. He is powerfully inspirational and a good role model. I must salute him for being a camaraderie to people of all ages.

Pastor Steven, looking back I sometimes wondered how you managed ALL these situations and challenges: facing people of ALL ages and praying, prophesying, encouraging, giving stern warnings, with God's grace and in loving kindness. Your proficiency in English and Tamil amazes me to this day. You always made time to avail yourself. Your prayers, prophetic anointing is very sharp. You always make time for anyone who needs prayers, imparting guidance and encouragement. wearing different hats accordingly.

Meeting you Pastor, was an accidental divine connection. You are 25 years younger than me and I have probably learnt much from you. We studied together to achieve our Masters in Professional Counselling. I was exposed to the charismatic ministry only after I met you. You started Jesus My King church and the King's College of Prophets in Singapore. To this day, I am often baffled how you managed it. You were a BIG influencer and it was not easy.

You have been my pastor, my teacher, my mentor and prayer warrior, as I was always running to you for advice and help.

My takeaway: show love and extend help to the needy, stand up to do the right things right in loving kindness.

Wishing you more blessed years in your ministry work.

Celebrating THE CALL

This year marks 40 years of faithful ministry in the life of my uncle, Dr. Steven Francis—a journey marked by obedience, sacrifice, and unwavering devotion to the Lord. His life of prayer and fasting, his dedication to sound doctrine, and his prophetic obedience to God’s voice have deeply shaped not only my life but also countless others. To me, he has been more than family—he has been a spiritual father and mentor. His ordination as an Apostle is not merely a recognition on earth but an affirmation from heaven of a calling that has long been evident.

In 2011, when I finished high school and was unsure of my next steps, he invited me to help establish the first King’s College of Prophets. That season awakened in me a deep love for God and His Word. Though young, he entrusted me to lead the media and youth ministries—looking past my age and affirming my spiritual call. That trust gave me purpose, and his mentorship has been one of the greatest gifts of my life. Uncle Steven, I honor God’s grace upon you. May your apostolic mantle carry the voice of the Lord to nations, and may kings and queens come to you for wisdom and prophetic counsel. “You shall also be a crown of glory in the hand of the Lord, and a royal diadem in the hand of your God.” (Isaiah 62:3, NKJV)

With love and gratitude,

You ignited in us the power of the Lord through corporate fasting and prayer, to prepare the way for us and to be aligned with the Word from the Lord. We appreciate your fresh zeal and passion in serving God’s kingdom. We met Pastor Steven two months after he started Jesus My King Church in Shelby. He prophesied over 64 prophecies to us. Two years after he prophesied these things, they all came true. He has been a mentor, a guide, and a friend. Whenever we needed him, he was always there. God prepared Pastor Steven to come to America and open the door to the prophetic in the Kentucky area. We look forward to the next chapter of Jesus My King Paducah. Many congratulations to you Pastor Steven from the congregation of Jesus My King Paducah. Pastor Crystal and myself want to personally thank you for your dedication and friendship, we look forward to many years of serving together in ministry. We love both you and Pastor Angeline.

Celebrating THE LEGACY

May God's richest blessing seek you down as you continue to serve the Lord Jesus Christ. Dr. Steven Francis is certainly a man after God's own heart. Many are called but few are chosen, and I do believe that Dr. Francis has been chosen and eked out of the very bowels and blood of Jesus for such a time as this. He impacts the city, the state, the nation and the world for Jesus Christ.

Proverbs 20:5 says, "Counsel in the heart of man is like deep water, But a man of understanding will draw it out." Most men will proclaim each his own goodness, But who can find a faithful man? Dr. Francis is that man. Upon meeting Dr. Francis, he heard the Lord and by faith spoke to me what God whispered in his ear and told me that I would not be a storefront church much longer. He said I would be in a large church with classrooms. His prophecy from God landed me in a 10, 500 sq. ft. church with 9 classrooms. Dr. Francis is a man of integrity, morals and high character, I'm blessed to be his friend.

Blessings,
Apostle Michael Moore

It has been such a joy and privilege to serve alongside Pastor Steven over the years. From the time you established the Believers Bible Institute in 1996 across four locations in Malaysia, your vision and dedication have left a lasting mark on so many lives, including mine. You have been far more than a colleague—you are truly like a brother and a mentor to me. Your faithfulness, humility, and sacrificial life have inspired me deeply and strengthened my own journey in ministry.

As you celebrate forty remarkable years of service, I want to extend my warmest congratulations. Your prophetic ministry has always been strikingly precise and accurate, and you never make a move without first hearing from the Lord. Your readiness to spend hours, days, and even months in His presence is a powerful example of true devotion. Your power-packed teaching and your courage to speak the truth without partiality have impacted countless lives. Your books and examples of servant leadership continue to shape the body of Christ in profound ways. May the years ahead bring even greater fruitfulness, joy, and God's abundant favour over all you do.

Warm regards,
David Santiavoo

It is with sincere and great respect that we take this time to provide tribute to Pastor Steven and his wife, Angeline. It is an honor to know and have the friendship of this dedicated man of God and his wife. Over the past six years that my wife and I have served as Pastors at Christian Fellowship Church of Lake City, we have enjoyed the fruit of the intercessory prayers of Pastor Steven that have been pointed our way. Through several conferences and opportunities to see this man 'in action', we are constantly inspired to continue to step higher into deeper prayer and relationship with our loving Father.

It is Pastor Steven's example of a holy and consecrated life, exemplified by a prayer life that exceeds anyone that we know in our circle of 'ministry friends, that lights our fires! That example has raised the standard in our own lives and I am confident that his prayers for us and our church family have been a significant factor in the vibrancy that we now experience ourselves!

Thank you, Steven and Angeline, for 'seeing' in us the value of what our destiny holds. Thank you, for considering us as your friends in the unity of our Lord and Savior, Jesus Christ. May our friendship continue to build as we continue to season in Him!

Enjoy this time of honoring your four decades of service to our Lord. May there be (at least!) another four decades that your lights can continue to burn for greater works to be done.

In His Service,
Pastors Mark and Patty Cady
Senior Lead Pastors of Christian Fellowship Church of Lake City

Congratulations, my beloved Pastor Steven Francis, on these 40 years of ministry. Your love, humility, and devotion are a great example to follow.

I am immensely happy to have met our beloved Pastor Steven Francis and his ministry. Rarely have I met someone like Pastor Steven, who has such passion and dedication to our Lord Jesus and His Word.

His love and unconditional support have been a great blessing to my life and ministry. The Church of the Power of God. He is very special and loved by us, and our ministry. Pastor Steven is my mentor and spiritual father, also my friend, whom I greatly respect. I value the times he has been there to counsel me and pray for me during the difficult times I have had. He has also reached Latin America, Colombia, and Argentina. Thank you again.

We love you.

Apostle Nidia Meneses
Power Of God Church

It is with great joy that I share my thoughts on the life and ministry of Steven Francis. I have had the privilege of knowing Steven for six years, during which I have witnessed his unwavering commitment to the gospel. He has faithfully served the Body of Christ, undeterred by trials or weariness—a man of proven character and worth. His humility and love for God and others shine through not only in ministry but in daily life. His heart of compassion is evident whether ministering to a crowd or one-on-one.

Steven's teaching and preaching are consistently Christ-centered, exalting Christ rather than himself or others. His desire is to strengthen the Body of Christ, that she might attain to the stature of the fullness of Christ spoken of in Ephesians 4. I look forward to continuing our partnership in ministry for many years to come.

Pastor Michael Walsh

Dearest brother Steven, congratulations! What a glorious day when our paths crossed with brother Steven. I first met him in India at the school when he was given the graveyard sessions after lunch. And wow, he kept us all awake! His teaching brought enlightenment and deeply touched my life with his prophetic insight and pastor's heart. Then he came to South Africa and my family had the privilege of meeting him and dearest sister Angeline. The words he spoke over us were true and are all in the process of being fulfilled.

Brother Steven, You have impacted our lives in too many ways to recount. But we hold dear your honesty, sincerity, commitment and sacrifice. Thank you for your loving concern always. Here at the southern tip of Africa, you have made rich deposits and we pray for a harvest of righteousness, godliness and truth to increase.

Your name means crown, honor, royalty, renown, victory and it so aptly describes you. And wild at heart, we see and learn how you rejoice in exploring His Word as well as the world He created. Dearest Pastor Steven, we look forward to seeing what the Lord has purposed for you in the next few years. And I pray I will be able to join in the prayer barn one day!

With love and great appreciation from the Cilliers clan.

Celebrating THE LEGACY

Dr. Steven Francis has been a big influence not only on my spiritual walk but on the church as a whole, here in the Laredo, Texas area and including Mexico. His teachings have been a tremendous help to our leaders in guidance in seeking the Lord. We have seen many of the elders (both men and women) having encounters with the Lord and having their spiritual eyes opened. The impact of conferences by Dr. Steven Francis was also favorably reported by the missionary students, their leaders and pastors in Nuevo Laredo.

The prophecies Dr. Steven Francis has released to me, are all coming to pass. In 2017, he prophesied God was going to establish a church through me, which came to pass in 2019 when the church Warriors for Christ was formed. In January 2025, we started preparing and discipling 12 pastors for 12 churches in Nuevo Laredo, Tamaulipas, Mexico, fulfilling the prophecy that we were going to raise 12 churches in Mexico and be a mission center. By the grace of God through the help of Dr Steven Francis, we are walking in the call of being the last days remnant prayer warriors.

May we continue to walk in unity and faith, supporting each other for many years, as we grow in our knowledge of the Lord Jesus Christ. A quality that really stands out to me from Dr. Steven Francis is his passion and dedication to serving God no matter the obstacles he is facing.

Pastor Hector Rosas

Ps Steven Francis is a dear friend who carries a precious prophetic anointing that has not just touched Singapore and the U.S., but the nations. He is now in his most fruitful season of his life and so on behalf of all at Cornerstone Community Church Singapore, congratulations on 40 years of fruitful and faithful ministry.

Pastor Yang Tuck Yoong
Senior Pastor of Cornerstone Community Church Singapore
Director of The Bible College of Wales Swansea

I've known Pastor Steven Francis for over 20 years. What has always impressed me about Steven is his honesty and transparency. I also admire his resoluteness under pressure. I deeply value his friendship and the wise counsel he offered during a pivotal crossroad in my life.

I'm grateful for the opportunities to serve alongside him on mission trips and to teach at his church and school. So, I congratulate you, Steven, on reaching 40 years of ministry. I pray your work continues to bear fruit for many years to come.

Blessings,
Pastor William Low

I have known Steven for quite a few years now. It was his brother that introduced us. Most people will never realize the things that a true man of God will face in his travels on this earth. One may ask what I consider a true man of God. I will say he is one who will go and do what The King says without question. It is that person who will find themselves doing things they never wanted to do, and would never have done if anyone else had asked them to do it. Many think this kind of commitment is only required of preachers when in reality, it is required from all of God's children. It is this type of person I admire, and it is the type of person people will follow and be highly favored by our Father. Our dear brother Steven is such an individual, and I am blessed to know him.

Dr. Eugene Underwood DD, PhD

Dear Pastor Steven, It's a tremendous honor serving our Lord alongside you. Your unwavering commitment, devotion and discipline to Jesus is unmatched. As you cross over 40 years in ministry, may you enter a place where you see the seeds you have sown into the lives of others continue to flourish and increase. You are the embodiment of what Paul said to the church in Corinth, "Follow my example, as I follow the example of Christ." (1 Cor 11:1)

A trailblazer, God-chaser, father, mentor, author, intercessor, pastor, prophet, and apostle—we want to wish you well on your 40th anniversary. There are few men raised by God to elevate others and change destinies; thank you for being one of them. Thank you for saying "yes" to Jesus and for your willingness to sound the prayer and prophetic trumpet over our lives and the nations of the earth.

You continue to leave indelible imprints on our lives through the covering, counsel, and wisdom you provide. Our prayer is that this 40th year marks a season of rest, reset, refreshing, recalibration, favor, and God's abundant blessing upon your life. May God grant you the strength to run with horses and to leap over the walls of the enemy.

Thank you for touching lives every day, and for your unwavering dedication and commitment to the body of Christ at large. We love you and are deeply grateful to have you as our father and mentor.

Thanks,

We congratulate our Pastor Steven on the 40 years of an amazing, dynamic and faithful ministry. As it is written in God's word, our Father sends His prophets to His people, when they are in great need or they seek to do His will. When we were in dire straits in our life, with much brokenness and pain, our Father sent Pastor Steven and Pastor Angeline in our lives. As a counselor and teacher, Pastor Steven spoke the promises of God into our hearts, that brought us peace which surpasses understanding. As a vigilant shepherd, Pastor Steven shares with us the instructions God is giving our family and he continually walks this journey of faith with us.

The Lord has truly blessed us with a spiritual father, who always desires us and Jesus My King Church to work along with him, growing in the grace of God and serving the Father with all our heart, mind, soul and strength in building the house of the Lord. We have seen firsthand the perseverance of Pastor Steven in praying over each and every soul who comes to him. Our prayer for Pastor Steven and Pastor Angeline, is that our Father will continue to multiply His anointing, grace and gifts on His servants and to use them mightily and faithfully in their worldwide ministry for the praise of His glory.

With Love,

When you think about Pastor Steven, it's clear he's far more than just a leader at the pulpit; he embodies a true spiritual force, effortlessly balancing an incredible array of roles. He's a devoted husband, a guiding father figure to many, a steadfast friend, a wise mentor, and carries a special grace that enables him to overcome any challenges that come his way. His impact is greatly personal – speaking from experience, his support for my family and me has been transformative, and it's a genuine privilege to call him not just our Pastor, but our spiritual father whose wisdom and care have enhanced our lives beyond measure.

His incredible journey over the last 40 years in ministry stands as a powerful testament to his unwavering dedication and deep obedience to God's calling. From the moment my family and I encountered Pastor Steven and Pastor Angeline in 2020, it was clear that God's hand was powerfully at work in their lives, and witnessing his consistent faithfulness has been truly inspiring. As we celebrate this monumental milestone, we're not just marking years; we're honoring a life lived with immense purpose, a walk with the Lord that is both imminent and deeply impactful, and a love for Jesus that continues to ignite hearts. Congratulations, Pastor Steven, on 40 incredible years of dedicated service!

In July of 2024, my husband and I were blessed to be able to attend the first School of Intensive Prayer at Jesus My King in Shelby, NC, under the teaching of our pastor, Dr. Steven Francis. This first study was called 'Learning the Art of Prayer (Beginner level)'. It dealt with the topics of different kinds of prayers, the Word of God and prayer, the laws governing prayer, and the reasons for unanswered prayer, amongst many others. I remember on the third day of class feeling joyful, because I had learned new skills to incorporate into my prayer life. Then, when I got home from class that day, I heard the news that our President Donald J. Trump had been shot. I remember feeling grateful for the new things that I learned that day as I lifted him up in prayer.

This year, in July of 2025, we once again assembled for the second (intermediate) phase of 'The School of Intensive Prayer, Learning the Art of Intercession'. I was so grateful for the timing of this class, as my husband was recovering from multiple strokes he had experienced just a few weeks before. While I am encouraging him to fight and believe for total healing, I find myself in a special position of standing in the gap for him. My husband has always been the strong and supportive one. Now he needs me to be strong for him, and in the process, help him to be strengthened once again.

Intercession is all about praying for others and this class helped me to recognize that being an intercessor is a holy occupation, an

appointment from God. It reemphasized to me the importance of faith, the power of fasting, and it gave me the tools and weapons I needed to intercede as an act of spiritual warfare. Intercession is not for the faint of heart. I am thankful for what I learned during the three days of this course, and I have already

put what I learned into practice, and I am seeing results. My husband was struggling with physical weakness, pain, and mental confusion, frustration, and anger from the strokes. Since I have been implementing what I learned in prayer, I see my husband returning to his strong, gentle self and I am so grateful for God's mercy and healing. Hallelujah!

For whatever reason, the Lord chooses to work through our prayers. A couple of days before the school, I was driving through town when an ambulance drove by, with lights and sirens blaring. I said a quick prayer for whoever they were going to help, and, in that moment, I realized that there are some people in the world who do not have a single person interceding on their behalf. My eyes filled with tears at that

thought and I determined in my heart that I would be more faithful to pray for anyone who the Lord brought to my mind. I am thankful to this course for emphasizing the importance of intercessory prayer. So, I say, "Thank You, God, and thank you, Pastor Steven."

When I met Pastor Steven Francis more than five years ago, he shared his vision given by the Lord and I remember how excited I was to know that God had sent him to this area. He shared like he had a well of living water.

I was fortunate to be able to work with him when he added a small guest cabin to his property. I remember as the projects took form, I was able to watch and listen when he worked in blue jeans and flannel shirts. He was the same in private as he was at church. He smiled easily and enjoyed listening and sharing. He is a spiritual vessel, shaken, pressed down and overflowing. Congratulations on forty years of ministry. Looking forward to more.

Pastor Steven Francis, thank you for forty years of ministry where God has been perfecting Christ in you. The Lord has equipped and positioned you to minister and reach people in many countries. Being faithful to His call, I'm sure has been full of challenges and blessings. We are grateful that the Lord has sent you our way and pray for His covering and anointing for you and your family.

Describing Pastor Steven in words will not do justice to his character. Such a humble and respected person who never even said that he is a brother of Sadhu or a Pastor when we met him first in 2017. In my spirit I knew that I would be very close to him. I still remember that once, when someone told him to renovate his house, he replied, "I want to build the House of the Lord first and He will build mine!" There are many hidden characteristics of Pastor Steven that have impacted our lives.

He has changed our lives in many ways. We had some family issues which we couldn't resolve, so he initiated and fixed them for us. He showed the real meaning of life. In a short period of time he made us better people, taught us how to enjoy life, showed us how to invest in our lives to be an example

40 Years! What a remarkable milestone. Pastor Steven, through your sermons, teachings, and leadership, you've guided us closer to God. Thank you for nurturing our faith and helping us grow in our spiritual journey. We are blessed to have you as our shepherd. May the Lord continue to use you as a vessel for His love and grace. In Psalms 23, David speaks of the Lord as His Shepherd who guided him through the valleys and led him to green pastures.

In the same way you have been a faithful shepherd to our church, leading us through difficult times and rejoicing with us in the good times. May your pastoral anniversary be a time of reflection and gratitude for all that God has done through you.

for others. Sky jumps, motorcycle rides, hiking, gun range, endurance to keep pushing through no matter what happens. He will always come to know when we are going through some challenges (can't hide anything from him, no privacy....lol). Most importantly he taught us to be closer to the Lord and His heart. It's our honor and privilege to serve such a Man of God. He truly is our spiritual father.

Congratulations to you, Pastor Steven. It's been such a blessing to have you in our lives. Since coming to JMK of Shelby, our lives have changed. Your boldness, sense of humor, and passion for the word of God have encouraged and challenged us to be overcomers and live victorious lives. Through many messages, we felt the conviction of the Holy Spirit highlighting those areas in our lives that hindered us. You've spoken into our lives and released the Word of the Lord over us, and we've been restored into our place in prayer and intercession.

Our daughter is growing in God and her desire to serve. She speaks of her love for the JMK family and your encouragement towards her. We thank the Lord for using you as a prophetic voice in our lives. Thank you for being the spiritual father God knew we needed. We've learned what true family is by your leadership, testimonies, and godly wisdom. We honor you, Pastor Steven. We thank you for reminding us and the body of Christ, the importance of being steadfast in prayer, knowing our spiritual authority, and that we are champions. You've allowed the Lord Jesus to be glorified in every service. We thank God for sending you here. To God be the Glory for what He's doing through you. We thank the Lord for allowing us to be a part of and witness what He's doing in your life and everyone connected to you. Thank you for your faithfulness and obedience to the call of God. We honor and celebrate with you. We love you, Pastor Steven Francis.

We praise God for bringing Pastor Steven and Jesus My King church into our lives. Pastor Steven has been there for us in the good and the bad times, faithfully serving the Lord through counseling and teaching his congregation.

Specifically, we are so thankful for when he took time out of his busy schedule to encourage and instruct us during hardships, and for the church's support for our foster children. We also can't get over the fact that he knew we were pregnant with our son before we did. :) Thanks for the heads up Pastor! We love you!

Today, we celebrate with you, Dr. Steven Francis, for your commitment to serving our Lord Jesus in ministry for 40 years. You have truly been faithful to the Master! The results of your dedication to preaching, teaching, leading, training, encouraging, and discipling others are evident around the world. As a prophet of God, you have never neglected to speak His Word over people, pastors, churches, cities, and nations. Only heaven knows the true results of your life and ministry and the impact it has had on the increase of the Kingdom of God during this timeframe.

Pastor Steven, I knew the first time I heard you speak that you were the leader, God would use to prepare me for the call on my life. You demonstrate a dedication, excellence, and humility in serving God that cannot be denied, even amid the supernatural encounters you have been graciously given. I have known you as my pastor, my mentor, my professor, my general in God's army, and my friend. We are all truly blessed that God has given you to us, and for your commitment to always be faithful to the Master!

Congratulations to Rev. Dr. Steven Francis, our beloved PASTOR! (cue to happy dance)

He may travel to nations, speak at conferences, and preach to hundreds or even thousands, but at the end of the day, he always returns home to serve as our shepherd. He prophesies with words of knowledge with great accuracy, yet what I've learned is that he cares more for the individual than for the spotlight, recognition, or material gain.

He touches lives everywhere he goes. The Lord has truly given him a heart for the broken, to uplift, encourage, and counsel them in the ways of the Lord. The Lord has used him so many times as a boost of encouragement, to prod me in the right direction over the last 5 years.

For 40 years, God has been faithful to you. I'm excited about what's ahead, Pastor. Congratulations Sir!

Dear Rev. Dr. Steven Francis, congratulations on your Apostolic Ordination and on completing 40 remarkable years in ministry! I thank God for your life and faithful service. Your prayers, teachings, and Christ-like example have deeply impacted countless lives, including mine.

I am especially grateful for the significant role you have played in my personal and spiritual journey. Thank you for mentoring me in leadership during the early years of my ministry (year 2002). Your guidance helped shape the foundation of my calling.

I am also deeply thankful for your encouragement in my education. You were the one who urged me to pursue further studies and to enroll in a secretarial course—decisions that became key milestones and blessings in my career. Most personally, I will always remember and cherish your role in bringing my husband and me together. Your support and blessing were instrumental in uniting us in marriage.

Thank you for always being a spiritual father—listening, advising, and leading with compassion and wisdom. May the Lord continue to strengthen you with health, grace, and fresh anointing for the years ahead.

With love and deepest respect,
Shirley Thurupiah

On March 16, 2024, during a time of prayer and fasting, the Lord impressed upon my heart Psalm 41:1-3, which speaks about the blessings that come from not only feeding the poor but also truly considering them. He also brought to mind Acts 9:36-43, the story of Tabitha (Dorcas), which stirred within me a desire to take action.

Additionally, on March 17, 2024, the Lord confirmed His word through His prophet, Dr. Steven Francis. He said, "Also remember what the Lord said about setting up something like a foundation or a trust for children. It must be activated—like a foundation trust, food distribution for poor children, things like that. We will also see how we can get involved, so that the children God has burdened you with will be provided for. It cannot be a one-time thing; now go and set it up, activate it."

By the grace of God, on December 17, 2024, The Provider's Trust was registered. We continue to trust God for what He will do through this mission, as we seek to demonstrate the love of Christ through a spirit of generosity and giving in the nation of Zimbabwe.
