

Membership Covenant

In light of my desire to be in a covenant relationship with the River of Grace Church, I affirm that:

I have personally asked Jesus Christ to forgive my sins and to take over the direction of my life.

I have openly acknowledged to others that Jesus is God's Son and that He came into the world as a human to take upon himself the condemnation I deserve. I seek to rest in his love, believing he has defeated my sin and death and now rules over all things.

I confess as true the doctrines expressed in the RoG Statement of Common Belief.

I will pursue the disciplines of the Christian life (bible reading, prayer, confession, etc) and the fruit of the Spirit as I seek to walk in the love of Jesus.

I will commit to the River of Grace body of believers through:

- Regular Sunday Gathering attendance in person.
- Supporting other members of this church.
- Participating in group ministries.
- Serving through the use of my God-given abilities.
- Giving according to biblical teachings.

I will willingly submit to the care and leadership of this local church.

I will strive to promote unity and peace among the people of God; resisting gossip and slander and pursuing reconciliation where there is division.

I will share the love of Jesus by living on mission wherever God places me through telling others the gospel and living a life that points to Jesus.

Should I sense that Jesus is leading me to leave River of Grace for any reason, I will consult with the leadership of River of Grace Church.

In return for the above commitments, I understand the River of Grace Church will endeavor to:

Provide a safe, healthy climate conducive to transforming my life through sound, consistent biblical teaching and personal counsel.

Cultivate a culture of care through community groups and other ministries.

Foster service to each other, our community, and the world.
