

JANUARY 2026 NEWSLETTER

Dear FRIENDS:

As we step into 2026, we want to celebrate what we've accomplished together in 2025, specifically within our Internship program. Three of the six interns we have supported in 2025 have now moved on: Adam Diamond is the church planter and Pastor of the new Downtown Community Church in St John's, NL and John Lewis is the pastor of Northern Cross Community Church re-plant, in Happy Valley Goose Bay, LAB. Matthew Rogers is serving at Calvary Baptist Church, NL. This allowed us the opportunity to add three new interns to our program this year. These three are receiving training for new church plant in three different locations. You will read their reports in next month's newsletter. We praise God for the growth of His Church and the spreading of the Gospel into areas that doesn't have a vibrant church.

We will continue to support three others who are seeking to grow, develop, expand and raise up leaders to serve in various positions of the church and community outreach. We give God praise for our interns in Ontario, Quebec, Newfoundland and Labrador. We are excited for what God will do this year and the many lives that will come to know Him.

SCA International continues to support the spreading of the Gospel within Canada. Your generosity fuels this impact, and we couldn't do it without you. Here's to another year of changing lives!

Thank you for your support. 2025 was a year of hope and progress. We look forward to partner with you again for an even brighter future in 2026.

Our hope is to support Interns to every province, to plant vibrant churches that will seek to bring change in the community, while spreading the love of Jesus.

Will you join us in this meaningful endeavor?

In Southern Ontario, we have experienced several ice, snow and wind storms already in this winter, much like the picture above. We realize how limited we are, not being able to control any of them. The extent of man's control is to provide information through knowledge gained from observation. I am grateful for the weather channel that provides us with information to help us prepare before leaving home.

Last night, we headed to church through a wind storm watch to attend our first worship and praise night of 2026. I was encouraged by how well attended it was and what seemed to be a hunger for God coming from the people especially the large turn out of young people. This alerted me that Jesus is coming soon and we need to take note and support this passion that is necessary for the expansion of the Gospel.

SCA International hopes to support more Interns to all the provinces and into every community that does not yet have a vibrant church, in their passion for the lost, touching lives with the love of Jesus and actively caring for people, regardless of their background.

I encourage you to prayerfully consider financially supporting our internship program this year. It will allow for better focus and acceleration of their training to be assigned for church planting. Folks we are in a time where people desperately need to hear about the Hope that is available to them.

Our second financial need is our **annual summer camp sponsorship**. Camp directors will be eager to know about our support for children who need sponsorship, before it gets filled up. We want to give this opportunity to children in underprivileged areas. Will you help us help them?

We pray that this year you will experience a greater move of God.

With Kind Regards,

*Devika Ramroop
Ministry Director
