

## MARCH 2026 NEWSLETTER

Dear FRIENDS:

*Can you feel it? Spring is in the air. All things positive seems to capture the minds of many as we enter March and as we look forward to Spring. We all have a fairly good knowledge what this season brings so no need to explain here.*

*The Bible talks about the Springs rains on several occasions. Job 29:23, "They waited for me as for showers and drank in My Words as the spring rain." When we say, "Spring is in the air", it expresses hope and expectation of new life and beauty, that we're about to experience. Then before you know it we find ourselves in it and it is beautiful indeed. Song of Solomon 2:12 says, "The flowers appear on the earth; the time of the singing of birds is come." Reflecting on last month's newsletter during the season of an unusually cold and snowy winter, it seems as if God knew ahead of time how to set the seasons in that order. The season where almost everyone gets to enjoy more of the outdoors, brings a refreshing and hopeful feeling.*

\*Said the robin to the sparrow,  
I should really like to know  
Why these anxious human beings  
Rush about and worry so.

\*Said the sparrow to the robin,  
Friend, I think that it must be  
That they have no heavenly Father  
Such as cares for you and me.

*Matthew 6:26 says, "Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?"*

*Jesus reminds us by the carefree attitude of the birds that worrying is unnatural. If He cares for the tiny birds and frail flowers, why can't we count on Him for every aspect of our lives especially when it seems like a difficult wintry season. Friends, let us be confident that our God truly cares for us, after all He sent His only son into the world to save us. We are that valuable to Him!*

*With this knowledge of our Lord Jesus, our Mission continues to seek ways to spread the Good News of Jesus in this great land of ours, mainly through our Internship program. We sponsor interns from Mile One Mission in NL and Labrador, Ontario and Quebec, to plant churches in areas that does not have a vibrant Christian church. It is our hope to expand this ministry into more remote and underprivileged areas of Canada.*

*These interns who have graduated from Bible colleges and Seminaries, receive additional practical training before they venture out for such ministry. We believe in their passion for the lost and actively caring for people regardless of their background. Through them, many in this great mission field of Canada will hear about the love of Jesus. Will you help us support them? It will help them to focus full-time on their training and development of programs to suite the community they will be pastoring.*

*Or you may want to support our ANNUAL SEND-A-CHILD to Camp sponsorship program:*

*This will be the eleventh consecutive year of running this program every summer and many children have benefited from it greatly, in various communities across Canada.*

**Please help us meet our \$10,000 budget for this year.** *Camp directors are eager to know about our support for children who need sponsorship. We want to give this opportunity to children again this summer. I trust you will prayerfully consider a donation to help us send children to summer camp, where we have learned from parents that this experience have helped changed the lives of their children significantly.*

*We look forward to hearing from many of you. May God bless you twice as much for your gift to this ministry.*

*With Kind Regards,*

*Devika Ramroop*

*Ministry Director*

*SCA International.*
