

MARCH 2025 NEWSLETTER

Dear Friends:

It is hard to believe Spring is about to start. February just flew by. Some of us will be observing Lent leading up to Easter and focusing on our Saviour's sacrifice and resurrection, as we remind ourselves of the difficult choice Jesus made for our redemption, that ends with joy. The joy of knowing, we who have accepted His amazing love that was expressed in His sacrifice on the cross, now enables us to live at peace knowing, we too will be resurrected and reunited with Him some day to spend eternity with Jesus forever. 1 Peter 1:3 says, "Praise be to the God and Father of our Lord Jesus Christ! In His great mercy He has given us new birth into a living hope through the resurrection of Jesus Christ from the dead."

During this month we can focus our reading on the Gospels or maybe the book of Mark being the shortest of the four. And whether you are fasting or not I pray that you will experience His unconditional, unfailing, amazing love Afresh!

We can talk about Easter next month. So for now, may God bless you as you spend time with Him during this significantly special time when we remember He gave Himself as the sacrifice for our redemption. John 15:13 Says, "Greater love has no one than this, than to lay down one's life for His friends."

I invite you to scroll down for more on our current programs and click on the links for stories. God bless you for staying connected, for praying, for sharing about our mission and for supporting financially.

This month I would like to share a story of one of our newest Intern. His name is Radu and he is from Quebec. Working within his church he wrote: This month, I started Doctrines Essentielles 2 at our church, both as a student and course animator. I lead discussions, ask thought-provoking questions, and encourage deeper engagement. The learning environment has been dynamic, with lively and

impactful conversations with the desire to spread the Gospel to those who don't yet know their Saviour he further wrote:

A major highlight this month was the launch of a new evangelism initiative.

Key developments include:

- I invited around 20 individuals from my personal network who are not necessarily born again believers but with whom I have shared the Gospel.*
- The group had an incredible response—everyone loved it and expressed interest in coming again.*
- Many of these individuals are now attending church with their families (wives and kids), leading to an exciting movement of new people joining our congregation.*

I say Praise the Lord to that, as the kingdom of Heaven is increasing!

This is why we support young Interns to develop ways for reaching more people, right here in Canada with the Gospel, giving them the opportunity to learn about Jesus and would come to accept the truth about His Love and accept Him as their Lord and Saviour.

We ask that you pray for them and us, so that this work will increase throughout Canada.

With Kind Regards,

Devika Ramroop,
