

APRIL 2026 NEWSLETTER

Dear Friends:

This week is significant to our Christian faith and the very reason why we do what we do here as a mission, to spread the Good News of our Saviour Jesus.

Jesus left His throne in heaven and chose to come and die for our sins, so that we can be redeemed and enter back into His plan for humanity, to live and reign with Him forever. He was the first to fulfill what the verse above is saying, when He became human and lived among us for 33 years. He completed His mission on earth and He encourages us to follow His path, to complete the task He has placed in our hearts to do. When we receive salvation, is when He has begun a good work in us and as we allow Him to lead and guide us, we will successfully complete our mission also.

While we are working on completing our mission He left for us to do here on earth, He is preparing a place for us to live with Him forever. "Until the day of Christ Jesus" speaks of Him coming again. This is where it all ends, so please be reminded that our lifetime is the only time we have to complete what He has given us to do which is *"Go into all the world and preach the Good News to everyone."* Mark 16:15.

Let's work together in the unique gifting He has given us and be a part in carrying on the "good work" until He comes.

We at SCA International are confident that God has begun a good work since 1906 and can testify through many challenging situations that He is carrying it on for 120 years. Our leadership believes that our ministry will carry on to completion. Through the challenges, we remain confident in His Word that our ministry will continue until the day of Christ Jesus.

Our Mission continues to seek ways to spread the Good News of Jesus across Canada. We hope that through our Internship program, we can reach more with the good news of Jesus. There are many areas of Canada that have not yet heard this good news nor have a place to attend where they can grow in their knowledge of our Saviour. Our current generation and the ones to come needs to hear and join in the good work of building the kingdom, until Jesus comes. We do not have a time line for the day of Christ Jesus's return, and therefore should not give any thought to stopping.

Our interns who have graduated from Bible colleges and Seminaries, receive additional practical training before they venture out for such ministry. We believe in their passion for the lost and actively caring for people regardless of their background. Through them, many in this great mission field of Canada will hear about the love of Jesus. Will you help us support them? It will help them to focus full-time on their training and development of programs for the community they will be pastoring and to get them started.

Or you may want to support our ANNUAL SEND-A-CHILD to Camp sponsorship program: This will be the eleventh consecutive year of giving children the opportunity to experience summer camp and hear about Jesus. Many of them will not have this opportunity otherwise due to low family income.

Our budget for this year is \$10,000. I trust you will prayerfully consider a donation to help us help them.

May this Easter bring you a fresh reminder of our Saviour's love and encourages you to not give up but to do your part in bringing the Good News of Salvation to others.

God bless you and happy Easter!

Respectfully,

*Devika Ramroop
Ministry Director
SCA International.*
