

MAY 2025 NEWSLETTER

Dear Readers:

The verse above taken from 1 Corinthians 15:58 apply to all ages, titles or statuses. There is no exception, so let us not try to exclude ourselves through good reasoning. Of course, I am referring to Christians who have accepted Jesus as their personal Lord and Saviour. If I may say so, this is to all Christians who have been saved for any amount of years.

The gift of salvation, bought with the precious blood of Jesus that one receives, qualifies all to "be steadfast, immovable, always abounding in the Lord's work" so that we can reach others who have not yet receive Jesus with the good news of "spending eternity with Jesus". Any effort made to live according to this portion of scripture honours God. In other words as the second half of the verse suggested "... you know that your labour is not in vain, in the Lord."

We can all relate to doing work that sometimes feels in vain. However, such experiences should not be compared to what the scripture above is saying. Our work for the Lord, however large or small will not be in vain. It is for this very reason that Jesus came, died, rose again and left us all the mandate to "Go tell" Jesus made it very simple for all to get involved and He gave us great assurance in His Word, saying, "... and you know that your labour is not in vain." It is as if He has already declared that we do know.

So friends, if you don't, then today I am reminding you. Will you now go and remind another Christian and keep this going? If each one does their part, think of how many more people will be reached with this knowledge by the end of this year. I trust we will be in this together for the glory of God.

The world is in a much more difficult place than we have ever seen and we were told in God's Word that all of this will happen. His Word will not change. Instead it will accomplish the truth- that He is coming soon, just like He said. There's no need to debate His Word but rather accept it, move forward and be part of His great plan. In doing so, we will make His truth obvious to the unsaved. Let's do it while we still have time.

Soon, summer camp will begin, and we are looking to sponsor children to attend one week of camp. At camp, they will experience fun activities while hearing about Jesus and having an opportunity to accept Him. In the past, many children—and even families—have come to believe in Jesus through this sponsorship program. Your contribution helps bring others into the kingdom and your work is not in vain. Together, we are allowing heaven to rejoice over the souls that are coming to faith in Jesus.

Our ongoing sponsorship of interns continues year-round. Each month, we hear incredible stories of how more people are attending churches in various areas where new churches have been planted—churches we are currently supporting. Thank you for your financial support of our mission. The funds are used to bring the love of Jesus to many with the knowledge and saving power of the gospel, some who live in places where there is no active church presence for families to be involved. We are truly abounding in the Lord's work together.

We are grateful for all your support, both in the past and those who give currently. We could not have done the things we do without your help. Your prayer support is crucial at this time especially through the difficulties and challenges that we face as we strive to accomplish God's work. Your prayers are pushing back the evil forces and we experience God's power at work. Your financial support helps us expand and continue ministry. These together works hand in hand to accomplish what we believe God is leading us to do. The results are astonishing. Souls are getting saved!

We need your support to continue our ministries. We encourage you to consider giving if you are not yet doing so or up your current giving this month or share our mission with those you know, who may have the financial means to help us. May God bless you in all you do for Him.

Remember to check the internship box to read the recent reports from our various Interns. Have a very blessed day. You remain in our thoughts and prayers. Until next time.

With Kind Regards,

Devika Ramroop
Ministry Director,
SCA INTERNATIONAL
