

## Elliot's April Update Newsletter

Dear SCA,

**April was a month full of wonder and excitement! God has blessed this ministry in many ways. We were able to experience the goodness of God during this month. SCA, I appreciated your love and support for me and cannot wait to continue to share about what the Lord is doing up here in St. John's Newfoundland. Down below will be some highlights and praise reports for this month!**

## Calvary Baptist Men's Gathering

In April, I had the privilege to be a part of our Men's gathering where we fellowship together. We had the privilege to pray for one another as well as here a testimony from one of our guys! God is really growing our ministry and it is a sight to see what the Lord is doing with this group of men! Continue to pray for this ministry as we are starting a new book call "Addiction in the Local Church"

# Calvary Soccer Camp

Early this month, we were able to participate in our annual soccer camp! We were able to have 43 kids at the camp. God did an amazing work not only with the kids but with our youth helpers. We had 11 youth leaders and they were able to serve our kids and families. We can not wait to see what the Lord will do!

## Calvary Baptist Church Offices Update

We have officially moved into our new offices close to the church! We thank God for the team from Jonesboro, who came to help us move the food bank to our new offices. We are grateful to be able to have these new offices. We can not way to make memories here!

Continue to pray as we are finalizing and organizing things in the offices!

Cant wait to share with yall wants next
