

# DOWNTOWN COMMUNITY CHURCH

## BI-WEEKLY SERVICES.

In November we were able to hold three services with an average of 14 people in each service. We have been working through the book of 1 Timothy in order to teach a proper view of how churches should function.

We've actually had great engagement with these sermons and a number of our people have been asking questions after the sermon and coming for prayer. We'll be taking a small break in December in order to do an Advent series.

*On November 30 we had a total of 14 people attend our service. Our text was 1 Tim. 2:1-7*

## CHRISTMAS PARADE.

Downtown Community Church was contacted by Downtown St. John's to ask if we could volunteers for the Christmas Parade. We were asked to hold signs for the sensory friendly zone of the parade. It was a great opportunity to be involved in our city and community.

I was also able to have great conversations with people as a result of this. Including being asked to pray for specific needs and deepening already existing relationships.

## GOSPEL OF JOHN STUDY.

Our Bible study continues to work through the gospel of John. We've been having amazing conversations as our people engage with the text. We've talked about God's will, man's responsibility to turn to God, sovereignty, and what it means to truly believe in Jesus to name a few.

There's also been one person who is wrestling with God and what they believe. Please pray for them as the Holy Spirit works on their heart. There's a real struggle going on inside of them between the world and God. Pray that God overcomes and this person is able to repent!
