9 PEOPLE GOT BAPTIZED APRIL 5TH

A joyful season

I had the privilege of preparing the service and doing follow ups with these individuals that gave their life to Christ. We have managed to recruit new Leaders in our evangelizing ministry, which greatly helps in terms of the quantity of new people we have every sunday

In addition, I am currently preparing a service for baptism again May 31st.

I will not be the one on stage this time, since I will be travelling with pastor David Archambault for meetings to raise funds for our 3M Ministry (to help provide ressources and training for upcoming spiritual leaders)
