

## Elliot Miles' Mile One Mission January Update

Dear SCA,

I can not believe the first month of 2026 is almost over. The Lord has shown me the beauty of trusting in him during the busyness of the season. As Calvary Baptist Church finish January, we are focusing on as a church:

***1 Corinthians 10:31***

***"So, whether you eat or drink or whatever you do, do all to the glory of God"***

We want our church family to know that we can worship the Lord through prayer, reading God's word and serving. We hope that this will fuel more community and remind us about giving God glory. Down below will be some personal highlights, prayer requests and things I was involved in during the month of January.

## Wedding and Engagement

My fiancé Carrie and I are excited about our wedding and marriage. We are less than 3 months away from the big day. The Lord really is kind to us as we are looking forward to the big day. Continue to pray for us as we continue to navigate wedding planning and starting our lives together.

## New Mile One Mission Church Offices

Our church offices for Mile One Mission is going ahead of schedule. The Lord is doing an amazing work. I was able to be a part of helping with this project in multiple ways. We can not wait to move into these new offices soon. Lord willing , we may be moving into the building in April !

So please be in prayer about this project. If you wish to receive more information about this , contact me directly. I would love to connect with you. Pray that the Lord will continue to bless this project and the people who are involve in construction. We are also planning of having two church from America come and help finish the outdoor deck and apply instillation in the building. We can not wait to see this in its fullness.

## Funerals

I was able to participate and observe two Newfoundland Funerals in this month alone. It was interesting to learn and see the ins and outs of funeral planning as well as seeing a funeral in Newfoundland.

Continue to pray for our church as we are experience many unexpected deaths at Calvary.

## Children's Ministry Leader Meeting

I was able to participate in our yearly Children's Ministry leader meeting in which we found out we have 101 kids from zero to seventeen at our church.

Continue to pray for us as we continue to disciple our kids and families. As well as we continue to grow in numbers , pray for us as we seek the Lord in how to creativity and strategically reach families with the Gospel.

## Calvary Baptist Church January Prayer Meeting

I was able to participate in our first prayer meeting of the year at Calvary . Where we have about sixty people attend to give praise to God and pray throughout the Psalms.

Continue to pray for Calvary as we are focusing on prayer this year. Our goal is to continue to develop a healthy prayer culture and see people grow in their intimacy with Christ.
