

## JULY & AUGUST 2026 NEWSLETTER

### Dear Friends:

*This has been an unusual summer for many who are experiencing an above normal heat, humidity and/or forest fires. Not to mention the tornadoes, earthquakes, floods, etc happening globally. I don't recall having to stay indoors for so many days, due to smoke and an air quality index up to 11. Having been outside for short periods caused my throat to feel very dry and uncomfortable but I consider this the very least as compared to those who have lost their homes or buried alive under rubble. May God protect, comfort, save and deliver them by His mighty power, in Jesus Name!*

*When we see and hear all these things, how can we not first look to God and seek His help. I find this verse very comforting in Matthew 28:20 where Jesus told His followers, "And surely I am with you always, to the very end of the age." God's resources will never run out even in an impossible (to us) situation, so we can trust Him always! Be assured of this in Psalm 139.*

*I heard a few messages recently on rest but maybe it was Jesus's way of inviting His people to give our circumstances to Him and in return, receive His rest. In Matthew 11:28 Jesus said, "Come to me, all you who are weary and burdened, and I will give you rest." May I encourage you to take Him at His Word. For those of you who have planned your rest on vacation, have a wonderful, restful and safe time away.*

*May you too offer your worship and praise first to God before starting your day. He will be delighted to hear from you. He will bless your plans, amaze you beyond your plans and you will be happy to know He is with you in all you do.*

*May we not be intimidated or be fearful by the surrounding catastrophes. By looking to Jesus first in all things, we receive His peace and will be able to find rest in Him, who is "the author and finisher of our faith." Hebrews 12:2.*

*Our Summer Camp Sponsorship Program. Because of your generosity, many children are able to attend one week of camp this summer. Thanks to everyone who contributed to our Send-A-Child to Camp sponsorship program this year. You will hear their stories at the end of camp season.*

*Our year-round Intern Sponsorship Program needs your support to continue sponsoring interns in churches that are engaged in the growth and expansion of the Gospel across Canada. Your donation will help them focus on building God's kingdom rather than seeking secular jobs for sustenance of their family. I would like to send you an early reminder to please prayerfully consider making a donation to help us budget for the New Year's Intern Sponsorship Program.*

*Our Bible Distribution Program. We have been receiving ongoing requests for our Gospel of John booklets. We thank the people who called our office and requested booklets with a generous donation to help us spread the Word. We appreciate their partnership and their dedication toward building God's kingdom with us. If you, your group or your church would like to get involved with us in this initiative please call us.*

*Our Tele-Prayer continue to run every Tuesday at 1:00 P.M. EST. You may send your items for prayer or call our office for the numbers to connect. We would love the opportunity to pray for or with you. Call or email us today!*

*Summer is flying by quickly. I trust you will accomplish all you planned to do this year. Feel free to stay in touch by calling or emailing us. May God bless you and keep you safe, have a blessed summer!*

*Regards,*
