KAI JOHNSON - **FBC** AUGUST REPORT

JUNE 2024

Hello brothers and sisters in Christ,

Me and my family have been back from vacation for a couple weeks now and have come back very refreshed and rejuvenated. We finished up the remainder of our vacation with some camping that our son Lowan enjoyed very much (as you can see in the first picture). We were thankful for the time God gave us to take it easy and catch up with friends and family.

Now that we are back things are kicking up as our Fall Kick-Off approaches! When I came back I started a Weekly Men's Prayer group which has been a success thus far! Over two weeks me and 6 other men have gotten up early and prayed together before we start our Thursdays. Please pray that more men would join us and experience the gift of prayer.

The Baden Church Plant also hosted a 'Fun Day at the Pond'. I set up some 9-Square and played with some of the local kids. Please be praying that the connections made at the event would lead to some new relationships and church attendees!

In September I have a lot of exciting things happening. I am speaking at a Youth Retreat in Muskoka, starting a Men's Book Study, booting up youth again, and researching some evangelism opportunities. Please pray that I would balance my work and family time with wisdom and that in all my speaking endeavours God's Word would go out and bear fruit in the lives of His Children.

In Christ,

Kai Johnson
