

Matthew Rodgers -June 2025

Our big event for the month at Calvary was our annual church retreat. We had Pastor Ezra from Northview Community Church come to speak on unity from Ephesians 5. It was a busy weekend, but the people seemed to enjoy the time together and learning from God's Word

The week before our retreat was Father's Day, and I was able to organise a BBQ for the church to celebrate our fathers. After the BBQ, we also had our monthly service for DCC, so it was another busy Sunday. But I was glad to be able to bless our people
