

# Matthew Rodgers

## -July 2025

We were busy again during July with multiple events ongoing. I finished the month with being given the opportunity to preach at Calvary once again. I always enjoy when I am able to open God's word and continue to grow in preaching.

We also finished the month with an outreach event at the Royal St. John's Regatta, the oldest annual sporting event in North America. We gave out water and played different music as a way to bless out city.

This month also included Downtown Community Church running its first basketball camp. We had 28 kids from both our churches, other churches, and even unchurched kids. It was also a blessing to have a missions team with us who helped ensure things ran smoothly. After the camp ended, the team also helped us on Sunday for our monthly service.
