PRAYER

- Praise for a successful Muffins for Ministry fundraiser for SCA this month at Emmanuel!
- Praise for great meeting with our Key Leaders for our vacation bible camp this summer. Continue to pray for our VBC Illumination Station happening July 6-9th
- Pray for our Sunday morning teams as we continue to see new faces and deal with some behavioural challenges in some of the classes, that God's word would be clearly preached to the kids and we would be able to build relationships with the kids and their families

May is here and once again we are hosting Muffins for Ministry every Sunday in May.

We host this fundraiser for SCA to raise awareness about the work SCA is doing and to give something back in gratitude for the support we have received.

May has been a month of many meetings for me. VBC planning meetings and midweek program wrap up and plan for next year meetings. I am so grateful at these meetings for the team of volunteers the Lord has blessed us with and their desire to share the good news with kids at Emmanuel and in our community.
