

Ministry Update

AUG 2026

August was a much-needed month of rest and renewal after coming out of such a busy season with VBC in July. I was thankful to be able to take two weeks off to spend quality time with my family and enjoy a vacation together. It was a great opportunity to slow down, rest, and recharge before heading into another busy ministry season.

Even though August was quieter, there were still some important things happening within

Children's Ministry. We spent some time updating and refreshing some of our children's ministry spaces at the church. It was exciting to make these spaces more welcoming and functional for the kids and volunteers who will be using them throughout the year.

We also began planning and preparing for our Fall Kick-Off Sunday on September 13. This has included looking ahead at our programs, volunteers, classrooms, and some of the details that go into starting a new ministry year. After the excitement and busyness of VBC, it has been encouraging to have some time to reflect, prepare, and look ahead to what God has in store for our Children's Ministry this fall.

EMMANUEL BAPTIST CHURCH,
CHATHAM, ON

One of the spaces we have refreshed with new paint colours and theming to match our Adventure Mountain Sunday morning program

Praise:

- Praise God for a busy and fruitful summer season and for all that He did through VBC in July.
- Praise God for the opportunity to rest and spend meaningful time with family in August.

Prayer:

- Pray for our Fall Kick-Off Sunday on September 13 and for all the details that go into launching our fall programs.
- Pray for our volunteers as they return to regular ministry rhythms and for God to give them energy, joy, and a heart for serving.
- Pray for the children and families who will be joining us this fall—that they would feel welcomed, connected, and come to know and love Jesus more.
- Pray for wisdom as we continue to grow and develop Children's Ministry and seek God's direction for the year ahead.
